## Do You Have Headache

Dr. Miles' Anti-Pain Pills

My first experience with Dr. Miles' Anti-Pain Pills was a sample package handed me. They relieved the pain so promptly that I have never been without them since. I have given them to many friends when they had headache and they never failed to relieve them. I have suffered with neuralgia in my head, and the first one I took relieved me. They have cured me of neuralgia. I would not be without them.
