#### Mainly About People.

arnold Horween, the new Harvard all captain, is 21 and weighs 200 He is the son of a Russian grant and came to Harvard from cago. His brother, Ralph, was also famous Harvard football player. a" Horween made record plays both the Yale and Oregon games.

william Butler Yeats, Irish poet. wright and founder of the Ab-Theatre in Dublin, "whose verse ot like him; his prose is and I 't like his prose so well as his " He holds the Irish are naturdramatic. During the past 15 years undred Irish plays have been writand he would like to see an Irish mal theatre in America in which

tharles M. Schwab is America's test optimist. The steel king m't any fear of a Bolshevistic overng. He is so confident of the futhat he has and can borrow to and increase his business. An est day's work for an honest day's will win outall the time. He bees in flaming smokestacks and not

s. Janet Reid of Hubbardston Mass, is in her 100th year, hopes to atthe age of one of her sisters, who at 106. Mrs. Reid is in fairly d health. She is a native of Prince ard Island, and was the youngest 10 children. Her father was a desadant of the Stuarts.

neral Gassouin, who controlled Paris railroad system for war purcook was a Chevalier of the Leof Honor. She had won the red n decoration as a nurse. The strangely complicates relations

ral Semenoff, the Cossack leadwho is fighting the Reds, is uuted, but gifted with exectuive ity and good daring. He is about He started his war on the Bolsts by hiring 200 Chinese to fight th him. He ignores all orders, car-s on a guerilla kind of war, makes enemies furnish him with food and nition and strikes so unexpect-, so determinedly that he has be-

story is told concerning Father ard Vaughan, when he was ing in America. A boastful Amat St. Louis said to him one Look at our Mississippi and Rivers. Why, in comparison em your Mersey and Severn Thames are sleepy, sickly "Oh" said Father Vau-"I think yours are just as as ours." "How do you make inquired the American. ell, they are all confined to their replied Father Vaughan.

ne Prince of Wales has collectmany souvenirs of his long spetl ctive service, and these are now York House. In the hall are placed bass drum and two side drums of 1st Battalion of the Grenadier rds, his regiment which the Prince ums for the battalion, the old ones ere auctioned. He has also two bugused by the Grenadiers at tha

In private life M. Poincare, the rench President, who recently tid a welcome visit to London, is man of singularly simple tastes d homely ways. Before he went the Elysee he used to live with s wife in a very quiet way at a nall but daintily furnished house the skirts of the Bois. Eminenta domesticated man, fond of his ome, nothing pleases the ex-Presi-nt better than an evening by his eside, surrounded by his books and th his favoriate four legged comons, a thoroughbred collie and a ome Siamese cat.

#### A Cure.

No better presentation of the relafered than we find in Dr. Osler's dresses collected under the title Asquinimitas." He had small pa-ence with mere hypochondriacs. or one such he kept a secretary usy half a day noting minutely her mistic details of her symptoms. derward he read the note-book in-ntly and then he dismissed the pa-ent without a precaution. "But ren't you going to tell me what to his answer is said to have been, "if ou don't know enough to come in at of the rain when it's raining I do nothing for you." The fee for is bit of common sense was more lan \$1,100. The shock probably ent part way toward healing a de-
