

"My Heart Would Palpitate, I Had Weak Spells"

Mrs. L. Whiting, 202 King St. West, Brockville, Ont., writes—

"I took very sick with my nerves and stomach, and seemed to be all run down. At times my heart would flutter and palpitate so and I would take such weak spells in the pit of my stomach that I sometimes thought I would never get better. I had almost given up hope when a friend advised the use of Dr. Chase's Nerve Food. I did not stop until I had taken twenty-five boxes. It has done wonders for me and I want to recommend it to everyone."

THE OLD YEAR.

Was it a good year, was it a bad year? Was it a happy, or was it a sad year? Where is the man who can tell us its history? Where is the mind to unravel the mystery? Closed is the record and, ended the story. But who knows the sum of its pain and its glory? Turn to your brother or turn to your neighbor. Each had the same days for pleasure and labor. Ask them to tell you this last of December: What of this year they shall ever remember: Ask of the father, and ask of the mother. Never the tales shall agree with each other.

One shall declare that the old year was splendid. One shall rejoice that its journey is ended. One tell the day that some fond hope miscarried. One proudly boast of the day that he married. Sadly some mother, by anguish still shaken. Shall call it the year when her baby was taken. Good year or bad year? Unnumbered the stories. Which men shall repeat of its griefs and its glories. Some found it lovely with joy and achievement. Some found it bleak with the winds of bereavement. The day that my neighbour was dancing with gladness. The house of his neighbour was entered by sadness. Each of us marks it, this last day of December. As he has lived and as he shall remember. Now that the old year is written and ended. Was it a sad year or was it a splendid? Shrouded with sorrow or laurelled with glory? We who have lived it must pencil its story.

"The Rosary" is a Tremendous Story.

NEW ADAPTATION AT THE NICKEL LAST NIGHT.

In the midst of this wholesale campaign for reform, censorship and what not comes "The Rosary." And it is not only an opportune production, but incidentally furnishes entertainment of a high class nature. In the first place "The Rosary" is a magnetic title with which every man, woman and child is acquainted. One does not have to guess at what to expect. There is enough adventure to meet the prevalent public thirst for melodramatic entertainment.

These are days when the public goes shopping. It "picks" its entertainment. "The Rosary" is the sort of picture that makes the patron rave about it to his relatives and friends. The producers of this photograph are to be congratulated on providing such an exceptionally excellent picture. It is splendidly directed with a cast that is out of the ordinary. Particularly entertainingly human is the work of Lewis S. Stone as Father Kelly and the beautiful Jane Noyak as the lovable Vera Mather. Everybody declares this to be the very best story from the world famous play ever witnessed. There are only two more nights to see this truly great photoplay at the Nickel, the premier house of attractions.

Municipal Council

WEEKLY MEETING.

The weekly meeting of the Municipal Council was held yesterday afternoon. Mayor Cook presided. Councilors Martin, Ousey, Grier, Ryan and Dowling were present. Minutes of last meeting were read and confirmed. The meeting was a short one, only routine matters occupying the attention of the Board. A communication was read from the Deputy Colonial Secretary acknowledging receipt of the statements of Estimated Revenue and Expenditure for the year 1922. C. F. Brown protested against permit being issued one Mr. Antle for erection of stable adjoining his residence, Prince of Wales Street. As the Council gave no permission for such erection it was ordered the Solicitor take action in the matter.

A communication was read from the Inspector General with regard to the taking of water pressure; that he considered the statements made by the Engineer were somewhat misleading and that he could not permit the Council to labour under misapprehensions thus created, without some effort to dispel them. That he was prepared to do everything that is reasonable in connection with this important subject, but would not allow such assertion of rights that do not exist. The Council was of opinion that while the said tests, may give the Fire Department information as to pressures in various sections of the city still the practice of opening the hydrants in frosty weather is most dangerous and must be avoided. Work on the piling at Job's Bridge commenced last Saturday and the structure is now being put in safe condition.

The City Clerk stated Tax Bills for the current half year were now being delivered. After the 10th instant legal proceedings will be taken against all persons in arrears for City taxes, Poll Tax, etc.

The contract for supplying water hose was awarded Messrs. Ayre & Sons, Ltd.

The Health Officer's report showed 8 new cases of Scarlet Fever and 1 of Diphtheria in the city during the past week.

After reports of the different departmental heads were read and pay rolls and bills presented were ordered paid, the meeting adjourned.

Wesley Class Hobby Sale

SUBSTANTIAL AMOUNT REALIZED

The Hobby sale held last evening by the Wesley Young Men's Literary Class resulted in a substantial amount being raised for the class funds. The sale was opened at 6 p.m. by Mr. J. E. Bennett, M.H.A., who was introduced by Mr. Walter Sparkes, chairman of the class. Mr. Bennett expressed the pleasure it gave him in being present and in his references to the work the class was doing, emphasized the value of mind development not alone to the Church but to the community as a whole. After the formal opening of the sale excellent teas were served by a number of ladies and from this source a tidy sum was realized. The Hobby stalls were well patronized and at 10 o'clock the goods remaining were disposed of by auction. During the even-
