DYSPEPSIA.
There is no disease with experience has so simply proved to be remediable by the PERUVIAN SYRUP.
(A protected solution of the Protoxide of Iron), as Dyspepsia. The most inveterate forms of this disease have been completely cured by this medicine, as ample testimony of some of our first citizens proves.
From the venerable Archdeacon Scott, D. D. Dunham, C. E. I am an inveterate Dyspeptic of more than 25 years standing. I have been so wonderfully benefited in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself or the reality. Persons who have known me are astonished at the change. I am widely known, and can be recommended to others that which has done so much for me.
Another clergyman writes as follows: My voyage to Europe has been indefinitely postponed. I have discovered the "Fountain of Health" on this side of the Atlantic. Three bottles of Peruvian Syrup have rescued me from the fangs of the fiend Dyspepsia.
A pamphlet of 32 pages containing a history of this remarkable remedy, with a treatise on "Iron as a medicine," will be sent free to any address. The medicine is "Peruvian Syrup" blown in the glass.
