

A gentleman died recently in Buckingham County, Va., who owned, at the surrender of General Lee, twenty-two negroes. Twelve of them left him, but the others remained with and worked for him until the day of his death, taking for their services just as much as he chose to give them. At his death, to show his appreciation of their services and his gratitude, he gave them his farm, on which they could all live comfortably.

**A FREE PRESS.**—Mr. William Mitchell, proprietor of the West Sussex Gazette, has received a letter from Mr. John Bright, M. P., in which, referring to the press and the repeal of the taxes on paper, he writes: "I think the great revolution of opinion on many public questions which is now being witnessed in this country is owing mainly to the freedom of the newspaper press. It is silently working a change of the most important, and I hope, of a most beneficial character. Newspaper property to an enormous extent has been created or extended; the literary character of newspapers has been improved, and the tone of writing is higher than it formerly was. All that we foretell in our agitation for a free press has come to pass—nothing that the most timid feared has arisen in consequence of our success."

**Breakfast—Epps' Cocoa.**—GATEWAY AND COMPANY.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills. *Chief of the West Sussex Gazette.* Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homoeopathic Chemists, London." Also, makers of Epps' Milky Cocoa (Cocoa and Condensed Milk).

A SAVORY volume would not contain the mass of testimony which has accumulated in favor of Dr. Wistar's Balsam of Wild Cherry as a safe, efficient and reliable remedy in curing colds and pulmonary diseases. Many of the cures are truly wonderful.

I PERSONALLY recommend the use of Felton's Compound Syrup of Hypophosphites to all who suffer in any way from disease or weakness of the Lungs, Bronchial Tubes, or from general debility. J. W. Scott, M. D. Gagetown, N. B.

PILLS which contain antimony, quinine and calomel, should be avoided, as severe griping pains would be their only result. The safest, surest, and best pills are *Parson's Purgative or Anti-Bilious Pills*. More than forty years have elapsed since *Johnson's Anodyne Liniment* was first invented, during which time hundreds of thousands have been benefited by its use. Probably no article ever became so universally popular with all classes as *Johnson's Anodyne Liniment*.

**FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES.**  
All life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained, and the living body is in need a boon to the world.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the Brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This then is substantially the basis on which *Fellows' Compound Syrup of Hypophosphites* is based. Its direct action is upon the Blood, the Brain and Nervous System, and the Muscles, strengthening the Nerves, it causes the rapid distribution of Vitified Blood in the Muscular Organs of the Body.

Restoring the Stomach, Heart and Liver, strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen.

It is adapted for all cases of Weakness and Emaciation, whether arising from a Sedentary life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.

For Nervous Debility it stands unrivalled, and may be used with confidence in all cases.

As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for *Fellows' Syrup*, and take no other.

Dr. Harris, of Middlebury, Vermont, says: "I had been troubled with Bronchitis for two years so affecting the organs of speech that I could not speak aloud for a fortnight. I had tried every other cough medicine I have ever tried. My wife also used it with the most satisfactory results. The Balsam is sold by all druggists. Price 50 cents per bottle."
