

A working men's mass meeting was held in Hamilton on Friday night, at which the Lien Bill and other Government measures were approved.

In the Imperial Parliament last night Mr. Julian Goldsmith gave notice that he would enquire whether it was true that the actual loss of the United States was \$2,500,000 less than the Geneva award, and whether the American Government would remit that amount.

AN IMPROVEMENT.—Since the Drayton Enterprise became the property of Mr. W. S. Johnston it has been wonderfully improved. From a wretchedly printed dirty little uninteresting 729 sheet, it has grown to a thirty-two column journal, neatly printed, and quite interesting. The people of Drayton and neighborhood, no doubt, fully appreciate the change, and will govern themselves accordingly.

BREAKFAST.—EPPE'S COCOA.—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful selection of the fine properties of well-selected cocoa, Mr. Eppe has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills.—Civil Service Gazette. Made simply with Boiling Water or Milk. Each packet is labelled—James Eppe & Co., Homoeopathic Chemists, London.

MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Eppe & Co., manufacturers of dietetic articles, at their works in the Euston Road, London.—See article in Cassell's Household Guide. 3206mdw

DR. WISMAN'S BALM OF WILD CHERRY is a combination of a form indeed, for healing and curing diseases of the throat, lungs and chest. It cures a cough by loosening and cleansing the lungs, and allaying irritation; thus removing the cause, instead of drying up the cough and leaving the disease behind.

Mr. James I. Fellows, St. John, N.B.—Sir: Having, while at your establishment, carefully examined your Compound Syrup, I feel anxious to give it a fair trial in my practice. For the last twelve months I have done so, and I find that in incontinent consumption, and other diseases of the throat and lungs, it has done wonders. In restoring persons suffering from the effects of diphtheria, and the cough following typhoid fever, prevalent in this region, it is the best remedial agent I have ever used. But for persons suffering from exhaustion of the powers of the brain and nervous system, from which so many young men suffer, I know of no better medicine for restoration to health than your Compound Syrup. I remain, yours, etc.

IMPROVE NUTRITION.

The best idea in the Treatment of all Chronic Wasting Diseases, resulting in Nervous Prostration and General Debility, is to improve Digestion and Assimilation of Food, and the formation of Healthy Blood. Dr. WHEELER'S COMPOUND EXTRACT OF PROPRYATES AND CALISAYA contains the only agents known that act directly as excitants of nutrition, by imparting tone to the Stomach, Liver, and Pancreas, the great triad that prepares nourishment for building up the organs and tissues of the body. The action of this remarkable preparation is extraordinary in strengthening and vitalizing the constitution, either impaired by age, exhausted by excesses, bad habits, or run down by old complaints that have resisted all ordinary means. It has been used with the most successful results, and is being used by the best medical authorities in all parts of the world. It is a delicious cordial to take, and perfectly harmless under all circumstances, it is eminently adapted to prostrated, anemic women and delicate children.
