Regina, May 18.—The boy scouts of Regina are to render first aid to the low cost of living campaign here, if haven't been announced by the town planning commission that the boys are to be given the use of the vacant lots around the city to use as market gardens, the produce for the first year, to be sold by the local dealers and later by the Regina Boy Scouts Market Garden Produce company. FIRE DESTROYS BUFFALO WATERFRONT PROPERTY
Buffalo, May 18.—Half a million dollars' worth of waterfront property was destroyed by fire yesterday. The Erie elevator, a wooden structure with its bins filled with grain, was completely destroyed. The south end of the Erie Railroad company's eastbound freight sheds was damaged by the flames and a large quantity of flour there was ruined by water. The flames leaped across Buffalo creek and set fire to the Lehigh railway trestle, but this blaze was quickly checked by a fire tug. Twenty-eight box cars loaded with grain were destroyed.
Several grain boats lying alongside the elevator were in danger. Their superstructures were blistered by the heat and their sides were smoking when they were released and towed down the creek.
The elevator was owned by the Erie Railway company and was leased to the Buffalo Grain company.
