Chautanqua Circle Meeting.

The Chautanqua Circle in connection with the Dundas Street Center Church met at Mr. Edward Anderson's, Dundas street, last evening. An excellent literary programme was carried out. It consisted of a carefally prepared review of the "Latin course in English," by Dr. Jennie Carson, papers on "Horace," by Mr. J. Richards, "Pliny," Mr. F. Darch, and "Table Talk," by Mrs. Coombes. Following the intellectual treat the attention of the company was given to disposing of the refreshments provided, and a very enjoyable evening was brought to a close. Mr. J. Gillingham has consented to give a lecture on "Electricity" at the meeting on Tuesday next. Thursday Evening's Entertainment.

To-morrow evening at the Grand Opera House a splendid comedy-drama will be produced, viz. "Jack Gordon: Knight Errant," in which Miss Alice Kning Livingstone will appear, supported by her own superb company. The critics agree in saying that it is a strong, twell-sustained and forcible play, realistic and true to lifte, and that the interpreting company is a brilliant one. It is a society comedy-drama in five acts, and no doubt the success which has heretofore attended it will continue to morrow evening in this city. The plan is now open. Manager Kirchmer has arranged to have the election returns read from the stage between the acts—four times during the evening.

Petitions for New Licenses.

Some time ago it was decided by the "License Committee" of the W. C. T. U. to publish, this year, the names of all signers to petitions for new licenses. After thorough discussion, this decision was reversed, for the following reasons: 1. That a large number of those who signed these petitions did so without sufficient thought, and now regree their hasty action. 1. Some of the signers declare that they did not understand they were asking for new licenses. 3. That this provision of the law has never before been enforced by the temperance people. The action—defered this year—will, however, be carried out next year; and the public is hereby notified that hereafter, all petitions for new licenses will be published in full by the Women's Christian Temperance Union. By order of the union. M. M. Thornley, secretary pro tem.

will have no trouble as long as the child is —a girl."

"Have boys gone out of fashion?"

"Oh, no. Boys will be boys, you know. But then somehow the popular fancy seems to run toward a girl."

"But a girl is more expensive to raise?"

"Not at all. Another popular fallacy."

"But girls squall more and are a greater nuisance generally; and when they grow up—"
