Mr. Blezard moved in amendment that
the whole matter be sattled by arbitration.
Mr. Meredith wished to add a clause allowing the bridges to be abandoned by the
consent of both county councils. This was
lost by 32 to 39, and Mr. Blezard's amendment passed.

ment passed.

Mr. Hardy's bill to amend the Drainage Trials Act and his bill to consolidate and anend the mining laws were passed.

The House went into committee on Mr. Ross' hill respecting Voters' Lists in the unorganized territories. The bill is not to come time past whether conflict would arise between the two great English-speaking force till July, 1893, so Mr. Meredith was anxious that it should be left over till next session. He pointed ailow of illegal actions on the part of fecials and which would tend to make the constituence with the part of fecials and which would tend to make the constituence with the part of of fecials and which would tend to make the constituence with the part of of the constituence with the part of of fecials and which would tend to make the constituence with the part of of fecials and which would tend to make the constituence with the part of of the part of of fecials and which would tend to make the constituence with the part of of the part of of fecials and which would tend to make the constituence with the part of of the part of of fecials and which would tend to make the constituence with the part of of the part of of fecials and which would tend to make the constituence with the part of of the part of of fecials and which would tend to make the constituence with the part of of the part of of the part of of fecials and which would tend to make the part of of fecials and which would tend to make the part of of fecials and which would tend to make the part of of fecials and which would tend to make the part of of fecials and which would tend to make the part of of fecials and which would tend to make the part of the part o

out several sections on the bart of of-ficials and which would tend to make the constituency misrepresented at the House. The bill grew and changed wouderfully under the patronage of both parties and when passed was another bill except in Mr. Hardy's Assessment Amendment Act

Mr. Hardy's Assessment Amendment Act caused also some discussion. It provided that farm lands in cities, towns or villages should only be taxed as farm lands at farm values. Mr. Guthrie was the chief opponent of the bill. Mr. Whitney Mr. Awrey and Mr. Davis were of opinion that the principle of the bill was right and supported it. It was carried by 29 to 26.

The clause afterwards was amended by striking out "cities."

The clause afterwards was amended by striking out "cities."

Mr. Mowat moved to have the clause apply only to towns under 8000. But Mr. Meredith jocularly suggested that this was to save Woodstock and the amendment was lost. A good half-dezen other exceptions were moved in amendment, but Mr. Awrey, who in reality was the prime received the bill fourth with a tenacity not mover of the bill, fought with a tenacity not to be baffled, and saved his bill intact with the loss only of the word "city." The House adjourned at 2.30 a.m.

## COL. FRED TOOK OFF HIS COAT

AND HAD SOMETHING TO SAY ABOUT A DRUNKEN LOADER.

"A Tale Told to Deceive. Signifying Nothing"-A Dull Day in the House. OTTAWA, April 8 .- The House was in the most part jogging along very quietly, but getting a little excited after recess when the milita estimates came up. In wife, the daughter of the late Licut. Governor of Nova Scotia. Mr. B. B. Osler, and from the medical evidence given as a result of a careful post-mortem examination the following verdict was rendered at an early hour this morning:

That the deceased came to his death from concussion of the train, caused by violent.

A Miner Exploites it on His Breast After

House dropped back into dulness THE LVIDENCE ADMISSABLE.

Testimony Taken Before the Committe to be Heard in the Boodle Trials. OTTAWA, April 8.—Sir John Thompso House gives permission for the use in the prosecution of N. H. Connolly, Thomas McGreevy, J. R. Arnoldi and others, and in civil suits against Andre Senecal and the other parties prosecuted in connection with last session's investigations, of the evidence taken before the committees, and allows the clerks, shorthand writers, etc., to be examined; the House, however, reserving to itself the right to protect all witnesses examined before the House or a committee

HON. MR. FRANKR RECOVERING.

Now On His Way To Toronto From British VANCOUVER, B.C., April 8.-Hon. Christopher Fraser, Minister of Public Works for Ontario, is in the city with his wife and daughter en route to Toronto. He is looking and feeling much better than when he left Toronto nearly five months ago, and is anxious to reach Toronto as speedily

as possible in order to look after the necessary details regarding the completion of the new Parliament buildings.

He then went on to enumerate the reasons why the Reform party should have been successful in the late elections, and pointed

out that every constituency had been b

And Such Is Fame.

OTTAWA, April 8.—The Major-General commanding the militia forces is investigating the charges which have been made against E. A. Macdonald, who holds a commission in the 12th York Rangers, and who has lately openly avowed himself as an annexationist. The militia authorities at first decided to allow Macdonald's action to pass unnoticed, but since he had announced himself as a cardidate for the water seek. will be advisable to take steps toward
