

HERE'S A SECRET

You want to cure that skin disease of yours, you can only do so by using an ointment so refined as capable of penetrating to the very depths of the disease. Zam-Buk is the only ointment of this kind, whereas ordinary ointments remain on the surface. Besides its wonderful power of penetration, Zam-Buk is such a powerful germicide that germs cannot where Zam-Buk is applied. It kills all germs, both on the surface and in the underlying tissues, are destroyed. Then the herbal essences, which Zam-Buk is composed of, promote the growth of new tissue, and complete and permanent cure is the result. Use it for yourself. All drug stores, 50c. box, or Zam-Buk Co., Toronto, for price.

Your Floors Need Paint

Paint preserves the wood. Paint keeps floors sanitary and healthful. Painted floors make the rooms bright and cheery. Painted floors are easily cleaned—a damp cloth keeps them free of dust and germs. Paint your floors and thus have them always Spic and Span.

Senour's Floor Paint

"MADE IN CANADA"

is all ready to brush on—anyone can apply it evenly and smoothly. And it gives a hard, durable, lustrous finish, that stays fresh and bright, and wears, and wears, and wears.

It costs less to use than other floor paint, because it covers more surface and wears longer.

We have Senour's Floor Paint in 14 beautiful colors, suitable for every floor in the house from kitchen to garret.

Come in for a color card, and a copy of our entertaining book, "The House That Jack Built", written for children, but "grown ups" get a lot of fun out of it. Free to our friends.

SPRING SPORT SUIT.

For Young Ladies Is This Smart Suit of Towing.

A 1916 MODEL.

This texture is one of the season's novelties, a polka dotted cotton toweling in blue and white. The skirt is cut with a wide inverted plait to give fullness, while the coat is yoked as well as paneled in front, this portion being buttoned on with novelty pearl buttons. The trim little black straw turban is also smart.

YOUR RUGS.

How Bright Ones May Cheer Up Dark Rooms.

One may select a very bright rug of the oriental order to gladden a room from which the sun is excluded, and according to the colors of the cloth cushions the wall paper is tempered, as are also the mural decorations and the hangings. For the room where repose is sought subdued colors are recommended, and these are to be had in some of the beautiful Persian patterns that go very well with reproductions of eighteenth century English furniture.

When one cannot afford the large rugs and there is doubt of any kind as to the proper carpet it is well to have the floor laid with a perfectly plain color in good quality domestic weave, and thereon spread here and there the small oriental rugs. For an informal room the effect is infinitely more pleasing than when one large rug is used.

The Most Feminine Texture. The other day a woman said, "If I had a lot of money I'd wear silk all the time." The richness of the material makes it one to be greatly desired and admired, and this season there are so many varieties of silks on the market that one could find a different kind for every day in the week. Crepe meteor is among the many silks to be obtained. It was used in a soft shade of gray for a gown seen a short while ago. Heavily padded embroidery in blue and gray wool was added effectively to ornament the blouse and the skirt.

A novel feature of the skirt was the use of chiffon panels, which were so full that they added extra width to the skirt, which was not very scant before their appearance.

The waist line was very nicely defined by silver rosebuds. The crocheted rings and tassels suspended from the belt were gray. Seakins formed the hem of the skirt and the abbreviated collar of the blouse.

Timely Tips.

If the dainty crepe de chine blouse shrinks a bit after its first laundering and—as many of these ready made blouses do—becomes just a trifle too scant to cross the bust, the edges at the front may be fixed all the way down with similar material and the blouse worn open over a chemisette of organdie. These chemisettes in all manner of pretty styles come ready to slip under the bodice, and for the purpose just described the best model is one which opens slightly at the back, kept crisply in position by a bit of stiffening.

Knickerbocker Figs.

Wash half a pound of figs and stuff each with a mixture of pecan nuts and Maraschino cherries, two cherries to three nut meats. Mix a teaspoonful of lemon juice, two tablespoonfuls of sugar and half a cupful of sherry in a small saucepan, add the figs, cover and cook slowly until the figs are tender. Let them drain, roll in powdered sugar and put into paper cases if you like.

MANY IN WATFORD TRY SIMPLE MIXTURE

Many Watford people are surprised at the QUICK action of simple buckthorn bark, glycerine, etc., as mixed in Adler-ka. This simple remedy acts on BOTH upper and lower bowel, removing such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. A few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT, easy action of Adler-ka is astonishing.—Taylor & Son, druggist.

Destroy Sweepings Barn Floors and Granaries

Sweepings from threshing floors and granaries are frequently dumped in the barnyard and later hauled to the land with the manure. The sweepings from the floor and its crevices are usually fowl with weed seeds.

Unless the yard scapings or manure is thoroughly rotted most of these weed seeds will retain their vitality and produce a vigorous crop of weeds. Burning the sweepings would be a much safer method. If they contain grain, boiling will make them a safe feed for poultry or live stocks.
