In the state of the st

There is no hope that they, their children, their friends, or relatives, cas is any lowy to longer pro-fied, by twing connected with the collection or ex-penditure of the Casual Revenue, or by any grant of Land, or consideration in the payment of the purchase meney. In short they are completely chained down, to the strict allowance which is set of Land, or consideration in the payment of the set of es - It is Excellency in a despatch from three deferring is consearded to pass the Bill if it come before him unaltered in substance. He sends back to Lord Glenelg a number of reasons why he should not pass the Bill; the most provincent of which are the fol-lowing ;-viz. That there is an error in the calcu-lation of the money. That there is no province made for the travelling charges of the Judges. That there is no contingent tund for the payment of contents of the tundent payment of contingent tund for the payment of contents of the tundent payment of contents of tundent payment of contents of tundent payment of contents of tundent pa extraordinary services: The there are SISE THOU of right, unless it be the encouragement given by extroordinary services. Init lines our resources in fight, which is the the encouragement given by the House, be turned instantly dut of house and the services and the services in the service of the service our weakly. The House, be turned instantly dut of house and the service our weakly our own means, always at hand. Baysswires.

doubtful authority !- These have zil beep consider-ed by the House as so many attempts r pravent at Grand Manan, 4th Jan, 1837.

A young sea offier of royal birth,

Of hubits wild, and studiely proce to mitth, Was by a friend invited once to dime With a rich Morchant one whi clealt in wine; The cordial invitation he accepts, And punctual, to the mansion bent his steps. The choicest dainties Davon could afford-And seviral Ladies -graced the festive board : But dinner o'er they soon from thence rotire, And head their converse round a chearful fire ; The Gentlemen continue some time more,

Til many empty hattles don't the liner. To take a dance at length they each presume To meet the Ladies is th' adjoining room. The "tyrant fashion" then made Lylies wear, The noble youth presuming on his birth. Thought all must bare the selflies of how mith. And wann'd with wine, began to romo and play And radely streat those who can be in his way. Of all decoram foid. The high born guest, And radely strengthese who can be in his way, Of all decorain foid. The high borg gest, The merchan's herely daughter thus addrest, The tempting shoulder! On how soland white Sare it to press whall be supremend dright! The Lady blashed, (as well may be supposed) Yet firmly subid and and not a momant waster " Pray grant your hund and not a momant waster " And if you condessendingly permit, " Will you my girl? pray do?" his borkhingsid? She took his hand, and placed it on his flage.
