quartette from Ontario, Bros. Whale, Gilmor, Clendenning and Weismiller.

One of the courts recently instituted has a membership of 50. This is fully double the average membership of new courts.

A correspondent from Kentville writes: The Independent Order of Foresters is advancing with rapid strides in this country. Recent visits of Supreme Court officers have encouraged our brethren, and directed public attention to the claims of Forestry. Some months ago, Bro. the Hon. D. D. Aitken lectured with acceptance to a large audience in this town. Bro. Weismiller, a few weeks ago, succeeded in organizing Court BLOMIDON at Wolfville with a large and influential membership. On the evening of Dec. Sth, the regular semi-

monthly meeting of Court EVANGELINE was held. The chambers of the court were filled to their ut-most capacity by home and visiting brothers. A large number of brothers came up from Court Blombon to pay a fraternal visit. They included Bros. F. M. Logan, C.R.; J. M. Shaw, P.C.R.; Wm. Regan, R.S.; F. Christie and H. Layton, S. and J.W. and Bros. F. A. Discontinuous Characteristics. and J.W., and Bros. P. A. Dixon, Thos. Chase, F. Mahoney, E. Wallace, H. Vaughan and E. P. White. One brother was initiated and thirteen applications for membership were read, and an intination that many more were to follow. The brothers were very agreeably surprised at the unexpected arrival of Bro. C. C. Whale of Ontario, the Inspector of the I.O.F., and all will be glad to renew their acquaintance with him again. In a magnetic address, interspersed with broad humor, he spoke words of encouragement and hope, which were much enjoyed by his interested auditors. Entinusiastic speeches were made by a number of the Blomidon and Evangeline members, and a very enjoyable and instructive evening was spent.

It is anticipated that a public meeting will be held at Wolfville the first week of the New Year, to be addressed by Bro. Whale, the High Chief Ranger, and other eloquent speakers. Hopes are entertained that a similar meeting may be arranged to be held at Kentville as well.

Prince Edward Island.

The Editor of THE FORESTER said in the December number something about the "'little' sister down by the sea." If the brother knew how long it takes to go from one part of the Province to t e other he would in the future drop the word "little."

A new court is to be organized soon in Tryon.

Court Minnewawa celebrated their 10th anniversary on November 16th. Bro. John M. Clark, Supreme Conductor, was present, and gave an interesting account of his visit to the old land attending the meeting of the Supreme Court.

As the winter months are now here, it would be wile for the courts to meet at least twice in the month, and hold some public meetings.

The following letter has been sent to all the courts interested :-

Our membership at the present is 30, with 6 candidates for our next meeting, and more to follow. We are sure to prosper. We will have 75 members by next spring. Our loyalty is firmly founded upon our charter, and upon the obligation of our Order. which embodies the principles of fraternity. are busy talking of many things to be accomplished for the advancement of our court. Should we achieve wonders, the echoes will doubtless reach you. It is pleasant, when looking over our monthly Forester, to see so many notices of old friends. We are very proud of our court.
