R. ROBERTSON.

Pictou, 29th Sept., 1835.

TO PRINTERS—E. WHITE & WM. HAGER respectfully inform the Printers of the U. States, to whom they have long been individually known as established letter foundry, that they have now formed a co-partnership in said business, and from their united skill and extensive experience, they hope to give satisfaction to all who may favour them with their orders.

The introduction of machinery in place of the tedious and unhealthy process of casting type by hand, a desideratum by the European foundry, was by American ingenuity and a heavy expenditure of time and money on the part of our senior partner, first successfully accomplished. Extensive use of the machine cast letter has fully tested and established its superiority in every particular over those cast by the old process.

The Letter Foundry business will hereafter be carried on by the parties before named, under the firm of White, Hager & Co. Their specimen exhibits a complete series, from Diamond to sixty four lines Pica. The book and new type being in the most modern light and style.

White, Hager & Co. are agents for the sale of the Smith and Rast printing presses, which they can furnish the customers at manufacturer's prices. Chases, cases, composing sticks, ink, and every article used in the printing business, kept for sale and furnished on short notice. Old Type taken in exchange for new, at nine cents per pound.

N. B. Newspaper proprietors who will give the above three insertions, will be entitled to \$5 in such articles as they may select from our specimens.

E. WHITE & W. HAGER.

New York, July 1, 1835.
