 Patterson and Wm. R. Adams.

Above applicants will be admitted to full membership May 15th, provided no objections are filed with the Secretary previous to that date. New members will please remit dues (25c), to me. Next month many charter members will be dropped from the society's roll if dues are not soon paid.

NEW ISSUES.

Abyssinia has issued a set of unpaid letter stamps having profile of King Menelék.

The 12a India has been surcharged for postage in the British East Africa Protectorate.

Ceylon has surcharged the 3c value "service."

French stamps have been surcharged for Madagascar and Tangiers.

Canada post cards are now printed in black on Manila.

Ecuador and Salvador have issued new sets. The former claims that they no longer receive their stamps "gratis" from the Hamilton Bank Note Co., but pay cold cash. This is supposed, no doubt, to make them legitimate.

Uganda has issued a 50 cowries—we know not the English equivalent—stamp, printed in black and separated by rows of small dashes. The stamp is square, with large numeral in the centre and U and G in upper corner.

Hayti is changing the stamp colors.
