

The Nova Scotia Temperance Alliance held its first Annual Meeting in the City of Halifax on the 22nd, 23rd, and 24th days of March last. The business transacted was of interest to the cause of Temperance. The platform adopted at the organization was re-affirmed. Your Grand Scribe would recommend that this Grand Division become affiliated with the Alliance by giving an annual contribution to the funds.

The subject of an Asylum for inebriates was before the Local Legislature at its recent Session. Committees of both branches presented reports, recommending the Government to take the necessary steps towards establishing such an institution.

Respectfully submitted in L. P. & F.

Grand Scribe.
