WATCH THE KIDNEYS.

They are the most important secretory organs. Into and through the Kidneys flow the waste fluids of the body, containing poisonous matter taken out of the system. If the Kidneys do not act properly this matter is retained, the whole system becomes disordered, and the following symptoms will follow: Headache, weakness, pain in the small of back and loins, flushes of heat, chills, with disordered stomach and bowels. You can thoroughly protect the Kidneys by Burdock Blood Bitters, and when any of these symptoms manifest themselves you can quickly rid yourself of them by this best of all medicines for the Kidneys. Burdock Blood Bitters are sold everywhere at \$1 per bottle, and one bottle will prove their efficacy.

This Company has been formed by prominent temperance and business men on the basis of the United Kingdom Temperance and General Provident Institution of Britain, which is one of the most successful of British companies. We are now prepared to receive applications for Assurance and grant policies. This is the only Canadian Company that in any way secures to abstainers the full benefit of their superior lives. The experience of the "United Kingdom Temperance and General Provident Institution" for the last eighteen years is over 30 per cent. in favor of Total Abstainers. The manager of the Whittington Life Assurance Company of England says:—"Three years ago I stated that the death rate in the Temperance Section had in three years been 23 per 1,000 against 50 per 1,000 in the General Section. For the last three years it has been a little more favorable, being 22 per 1,000 in the Temperance Section and 51 per 1,000 in the General." The manager of the Sceptre Life Assurance Company of Great Britain calls attention to the fact that for the past ten years the deaths in the Total Abstinence branch of the Company amounted to only forty-five per cent. of the number anticipated.
