ALWAYS PLEASED!

No Grumblers or Growlers when Diamond Dyes are Used.

THOUSANDS of pleasant, happy and grateful letters are on file from ladies who have tested the popular Diamond Dyes that always do their work well and satisfactorily.

Mrs. Thos. Lavin, Newark, Ont., says: "I find that Diamond Dyes are the best, as I always get good and fast colors from them. I have used other dyes, but they are all inferior."

Mrs. Wm. Moore, Steenburg, Ont., says: "We like Diamond Dyes better than all others on the market; they always give splendid colors."

When ladies ask for Diamond Dyes, they should always insist upon seeing the name on the package, as there are so many worthless dyes sold by dealers

HEALTH AND HOUSEHOLD HINTS

Wet an upper pie crust with milk before setting it in the oven, and it will brown quickly and richly.

Cut flowers may be made to last twice as long if they are sprinkled with salt and the stems are placed in salt water, daily renewed.

Daintiness in small personal belongings is an unfailing mark of the true lady, and the first essential of daintiness is perfect cleanliness.

One of the best ways of preparing apples for any purpose is to cut them in quarters before paring, as the core is more easily taken out and decayed places cut out.

Fish is not eatable till the flesh separates easily from the bones. By running a knife in a little way, say under the fins, so as not to spoil the appearance of the fish, this can be judged of.

Hot milk is one of the very best stimulants for a person weak from hunger or long fasting. It goes right to the spot quicker than anything else, and helps to build up at the same time.

For neuralgia in face or jaw, a flannel bag filled with very hot salt, heated in a pan or fryingpan, applied frequently and often renewed, keeping the head well covered, will cure the trouble, and if an aching tooth be decayed a little salt dropped into the cavity will kill the pain.

An English way to cover flower-pots is to paste the narrow ends of the tissue-paper sheet together and cut it off the right height making the top edge tulip-pointed. Crimp the paper together in the same way as the lamp shade; this will bring it about the right size to fit an ordinary flower-pot. Finish with a ribbon of the same shade.

Beef Cake.—Take equal quantities of cooked beef, chopped fine, and soaked bread crumbs, add one onion, chopped, salt and pepper to suit taste, a tablespoonful of chopped pork to every quart of the mixture, one egg and a little sage or savory; place it in a flat pan, and bake twenty or thirty minutes.

Biscuits.—Cream one pound of butter with one pound of sugar, add in nine or ten eggs gradually, then work into this two and one-quarter pounds of flour and one-half ounce of baking powder, and drop it in spoonfuls into buttered and papered tins, put a shred of candied peel on each and bake in a quick oven for six minutes.

Banana Shortcake.—Cream, one-half cup butter, one cup of sugar, stir in one beaten egg, half a cup of milk, two cups of flour, and two teaspoonfuls of baking-powder. Bake in round or oblong tins. Over one cake spread a pint of whipped cream. Sweeten to taste into which has been stirred one large banana sliced thin. Lay the other over it and serve very hot.

Barley Soup.—One sheep's head, or two-pound shin of beef, two quarts of water, quarter of a pint of barley, three onions, a small bunch of parsley, pepper and salt. Put all the ingredients in a stewpan, and simmer gently for two or three hours; stirring frequently to prevent the meat from burning, but do not let it boil quickly; take the meat out, strain the soup, and if sheep's head is used, put some of the best pieces back into the pan. The tongue should be skinned and cut into slices, and the brains, which should be boiled in a piece of muslin, should be added to the soup.

Coughs and Colds. Those who are suffering from Coughs, Colds, Hoarseness, Sore Throat, etc., should try **BROWN'S BRONCHIAL TROCHES**, a simple and effectual remedy. They contain nothing injurious, and may be used at all times with perfect safety.

Go into the best Grocery Stores in any city—the stores that have the most intelligent trade—and ask them what is best for washing and cleaning. They'll tell you, "Pearline." Ask them how the imitations compare with it, in quality and in sales. They'll tell you that they're far behind. What does this show? Why, that the people who have the finest and most delicate things to wash, and who would be least likely to risk these things with any dangerous washing compound—it shows that these people have proved to themselves that Pearline is the best. And it certainly is.
