AN INTRODUCTION TO THE BOOK OF ACTS.
By REV. J. M. STIFLER, D.D., of Crozier Theological College. **\$1.25.**

For general readers we cannot speak too highly of this book. It marks the great
events of this first period subsequent to the death and resurrection of Christ with
masterly simplicity and good sense, and performs the work of such an introduction by leaving
the outlines and great features of the history strongly impressed on the student's mind.
