

In the smallest School Section in the country the choice of the proper material for a School Board is very important. It is still more important in a large city like Toronto, where the Trustees have to raise each year a large sum of money, and where the interests in every way are more weighty and complicated. In a few days our readers in this city will be called upon to exercise their franchise in this connection. In St. James' Ward Mr. JAMES BAIN, an efficient and active member of the Board, seeks re-election. In recognition of some twelve years faithful and efficient service, we trust Mr. Bain may be re-elected; and we respectfully ask our readers who are electors of St. James' ward to vote early for Mr. Bain.

Rev. A. Tolmie, pastor of the Canada Presbyterian Church, Southampton, was, on the evening of the 28th ult., presented with a very valuable buffalo robe, a whip, and a purse, by Messrs Ritchie, Young, Tully, McMillan, McAuley, and Campbell, on behalf of his congregation.

**An Interesting Question to not a Few.**

It is now an ACKNOWLEDGED FACT—acknowledged by professionals and amateurs, by competitors in trade, as well as patrons, that the

**HEINTZMAN PLANOS,**

Canada manufacture, are equal in quality to the best imported ones from the United States.

It is, therefore, AN INTERESTING QUESTION for intending purchasers, how

Our Home made Instruments compare in Price with a good American made up. It looks extravagant to say that by purchasing of us buyers save at least

**ONE HUNDRED DOLLARS,**  
But we simply beg to direct attention to American catalogues, &c., and our assertion will be verified.
