Having a thorough knowledge of the trade, we will be able to do justice to anything put in our hands. Commercial Summary.

SOME 9,000 cases of canned lobsters, saved from the SS. "Brantford City," will be offered for sale by auction in Halifax next week.

The burning of Mr. Robt. McCready's boot and shoe factory in this city last Sunday throws three hundred operatives out of work. The property is insured for \$75,000. Loss about three-fourths. Patterns all saved.

MESSRS. SEAGRAM & ROOS, general merchants, millers and distillers, Waterloo, Ont., have dissolved. The business in all its branches will be continued as heretofore by Mr. Joseph E. Seagram of the firm.

THE MONTREAL "Open Stock Exchange" is being revived, the principal promoters being Messrs. L. A. P. Barthe, T. E. Haurahan, Arthur Ross, of Lachine, W. J. Turpin, Col. F. Bond and others.

The first load of the new crop of barley was delivered in Belleville last Tuesday, and was considered a good sample. One or two lots of the new crop have been received at Coteau Landing also, and pronounced as favorable.

THE Boston Rubber Boot and Shoe Company have returned to last year's prices, by making their discounts on first quality 30 per cent and on second quality 37 per cent. New Para is quoted in Boston at \$1.32½ and old Para at \$1.06.

MR. B. FRESHMAN, who is reported to have absconded from Winnipeg after embezzling \$8,000 from Mr. M. A. McLean, wholesale grocer and liquor dealer, of that city, with whom he was employed as bookkeeper, was formerly in business in London, Ont.

THE bonus by-law for the establishment of manufacturing industries at Ottawa was defeated on Monday last, largely, it would appear, because many citizens who favored the proposition did not record their votes. Thirty-six ladies manifested their interest in the progress of the city by exercising their right to vote on the question. General regret is said to be expressed at the defeat of the by-law.
