

THE "RELIANCE" WHARFEDALE

Newspaper, Book and Job Printing Machine.

THE RELIANCE WHARFEDALE now offered to the trade by The Dominion Type-Founding Company, agents in this country for its sale, possesses the following advantages over other *Wharfedales*, and which Printers intending to purchase would do well to note :

- 1st. The arrangement for the tapes is such as to allow of their adjustment immediately ; in others there is much time lost in making tapes ready.
- 2nd. The fly can be instantly detached when the press has to work posters or awkward forms which require to be taken off by hand ; in others it is a fixture.
- 3rd. Its immediate delivery of sheet without waiting for next impression to complete movement.
- 4th. Its advantage for extra rolling ; its distribution is double that of other Wharfedales.
- 5th. It is strongly built, and in every sense of the term a first class English machine.

The following are standard sizes :—
