

Local Market Report.

Wheat.—The daily movement through Winnipeg is running over 200 cars, and well up to 300 on some days. Prices still declining. Prices paid to farmers in Manitoba country markets show a decline of about 2c from the opening price of the season. No 1 hard brings 40c per bushel to farmers at points having an 18c freight rate to Lake Superior, making the price 39 to 40c per bushel for No 1 hard at most Manitoba points, and 37 to 38c for No. 2 hard and No. 1 northern. The decline in prices rather increased sales by farmers. The wheat now moving is going for export via Buffalo and the Erie canal as fast as shippers can send it forward.

Oats.—There is very little movement in new oats yet, and prices have not changed much. The light movement has sustained values, and prices would almost certainly be lower with any considerable increase in offerings. Local prices are irregular, and though we quote 22 to 24c per bushel on track here, a close quotation cannot be given in the absence of so much business. A few loads on the street market have sold at about 23 to 24c, and up to 26c was paid for choice milling quality. Prices in Manitoba country markets to farmers range from 15 to 17c at most points.

Barley.—No business is reported in barley yet.

Vegetables.—Potatoes have sold mostly at 30c per bushel for loads on the market, though a few loads have sold at 25c.

Eggs.—The market is firmer and prices have an upward tendency. Dealers are now offering 12 1/2c for receipts, and selling in case lots at 14 to 15c as to quality.

Butter.—The market is taking on an improved feeling as is usual at this season of the year, though there has not been any important change. Buyers, however, are more active in picking up desirable lots. We quote round lots at 10 to 14c as to quality.

Wood.—Tamarac is held at 4.50 to 4.75 per cord on track here in car lots as to quality. Oak about \$3.75 to \$4; mixed pine, spruce, etc., can be had at 3.50 to 3.75. Poplar has sold at from \$2.50 to \$3 on track as to quality; green cut poplar brings the best price, though green cut poplar has been offered at \$3.75 per cord. Ash has been offered at \$3.75 per cord on track.

Wool.—We quote 6 to 8c for unwashed Manitoba fleece. Very little doing.

Seneca Root.—The market is firm and 26c is quoted, though we have heard of 26 1/2 and even 26 3/4 being paid for one lot on competition. Speculators are holding at about 23 to 30c for round lots to ship.

Hay.—Not much doing, and baled offering at \$4.00 to \$4.50 per ton at point of shipment.

LETTER FROM RUBLEE, RIDDELL & Co's (BISCUIT MANUFACTURERS) HEAD BAKER.

Winnipeg, Sept. 10th, 1894.

Messrs. David J. Ryson & Co. Winnipeg.

Dear Sirs:

I had the pleasure of using your famous White Star Baking Powder while baking those delicious dough-nuts of mine in the Exhibition grounds this year, and state that it gave universal satisfaction, as a large number of ladies enquired how they were made. I attribute the success of them to your powder and would heartily recommend it to those who want to make a success of their baking.

Yours truly,

John Morrison.
