Canada, 1876; Australia, 1877; and Paris, France, 1878.

TESTIMONIALS SELECTED.

Prof. H. H. Croft, Public Analyst, Toronto, says:—"I find it to be perfectly sound, containing no impurities or adulterations, and can strongly recommend it as perfectly pure and a very superior malt liquor."

John B. Edwards, Professor of Chemistry, Montreal, says:—"I find them to be remarkably sound ales, brewed from pure malt and hops."

Rev. P. J. Ed. Page, Professor of Chemistry, Laval University, Quebec, says:—"I have analyzed the India Pale Ale manufactured by John Labatt, London, Ontario, and I have found it a light ale, containing but little alcohol, of a delicious flavour, and of a very agreeable taste and superior quality, and compares with the best imported ales. I have also analyzed the Porter XXX Stout, of the same brewery, which is of excellent quality; its flavour is very agreeable; it is a tonic more energetic than the above ale, for it is a little richer in alcohol, and can be compared advantageously with any imported article."

Chronic

Catarrh destroys the sense of smell and taste, consumes the cartilages of the nose, and, unless properly treated, hastens its victim into Consumption. It usually indicates a serofulous condition of the system, and should be treated, like chronic ulcers and eruptions, through the blood. The most obstinate and dangerous forms of this disagreeable disease

Can be

cured by taking Ayer's Sarsaparilla. **I have always been more or less troubled with Scrofula, but never seriously until the spring of 1882. At that time I took a severe cold in my head, which, notwithstanding all efforts to cure grew worse, and finally became a chronic Catarrh. It was accompanied with terrible headaches, deafness, a continual coughing, and with great soreness of the lungs. My throat and stomach were so polluted with the mass of corruption from my head that Loss of Appetite, Dyspepsia, and Emaciation totally unfitted me for business. I tried many of the so-called specifics for this disease, but obtained no relief until I commenced taking Ayer's Sarsaparilla. After using two bottles of this medicine, I noticed an improvement in my condition. When I had taken six bottles all traces of Catarrh disappeared, and my health was completely restored.—A. B. Cornell, Fairfield, Iowa.

For thoroughly eradicating the poisons of Catarrh from the blood, take

Ayer's Sar

saparilla. It will restore health and vigor to decaying and diseased tissues, when everything else fails.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

Catarrh

Is usually the result of a neglected "cold in the head," which causes an inflammation of the mucous membrane of the nose. Unless arrested, this inflammation produces Catarrh which, when chronic, becomes very offensive. It is impossible to be otherwise healthy, and at the same time, afflicted with Catarrh. When promptly treated, this disease may be

Cured

by the use of Ayer's Sarsaparilla. **I suffered, for years, from chronic Catarrh. My appetite was very poor, and I felt miserably. None of the remedies I took afforded me any relief, until I commenced using Ayer's Sarsaparilla, of which I have now taken five bottles. The Catarrh has disappeared, and I am growing strong and stout again; my appetite has returned, and my health is fully restored.—Susan L. W. Cook, 909 Albany street, Boston Highlands, Mass.

I was troubled with Catarrh, and all its attendant evils, for several years. I tried various remedies, and was treated by a number of physicians, but received no benefit until I commenced taking Ayer's Sarsaparilla. A few bottles of this medicine cured me of this troublesome complaint, and completely restored my health and strength.—Jesse Boggs, Holman's Mills, Albermarle, N. C.

If you would strengthen and invigorate your system more rapidly and surely than by any other medicine, use Ayer's Sar-

saparilla.

It is the safest and most reliable of all blood purifiers. No other remedy is so effective in cases of chronic Catarrh.

Sold by all Druggists. Price \$1; six bottles, \$6.
