From the News, Union, B.C.

"Yes," said Mr. Davis, "I did have a "'Yes," said Mr. Davis, "I did have a pretty tough time of it. I was troubled with my heart, having frequent severe spasms, and shortness of breath on slight exertion. I had also a swelling of the neck which was said to be goitre. Two years ago I came up from Nanaimo and took the Harvey ranch hoping a change would do me good, but in this I was Nanaimo and took the Harvey ranch hoping a change would do me good, but in this I was disappointed, and seemed to be steadily growing weaker. I h d three doctors at different times, but they appeared not to understand my case. At last I got so low that one day I fell down on the street, and those who picked me up thought I was dying. After that I was urged to take Dr. Williams' Pink Pills, and almost from the outset they helped me I was as well as ever." "Do you still take I was the Pink Pills," asked the reporter. "Well," was the reply, "I still keep them about me

After parting with Mr. Davis the reporter called at Pimbury & Co's drug store, where he saw the manager Mr. Van Houten, who corroborated what Mr. Davis had said regarding the use of Dr. Williams' Pink Pills, and further stated that he believed Pink Pills regarding the use of Dr. Williams' Pink Pills, and further stated that he believed Pink Pills, and further stated that he believed Pink Pills to be the finest tonic in the world, and gave the names of several who had found remarkable benefit from their use.

approve of Scott's Emulsion. For whom? For men and women who are weak, when they should be strong; for babies and children who are thin, when they should be fat; for all who get no nourishment from their food. Poor blood is starved blood. Consumption and Scrofula never come without this starvation. And nothing is better for starved blood than cod-liver Scott's Emulsion is cod-liver oil with the fish-fat taste taken out.
