

The Outdoor Man

---is especially interested in

Leckie Boots

Rough conditions of forest and hills put footwear to the hardest test.

The House of Leckie" knowing this full well, puts its experience and skill and the best of materials in LECKIE BOOTS.

Look for the name on every pair, but remember— "Quality goes IN before the name goes ON — that's a LECKIE."

Get Ready For June Silo-filling

Have that electric power installation attended to NOW, before spring ploughing is here to take up your time.

You can use the electric motor in a dozen ways that will save you money compared with the expensive, unreliable hand method.

Open the way to progressive methods and more happiness by having your buildings wired for light and power at once.

B.C. Electric

Vancouver.

New Westminster.

FOR SPRING PLANTING

We offer a complete list of Fruit and Ornametal Trees, Small Fruits, in fact everything that is hardy and desirable for the garden and profitable for the orchard. Large stock of strictly first-class goods at reasonable, honest prices—all home grown. Inspection of nurseries solicited. Price list on application.
