

And the question being put on the said motion, it was agreed to.

Mr. Orlikow, seconded by Mr. Mather, moved,—That an Order of the House do issue for a copy of the cost-benefit study on rainbow trout farming referred to by the Minister of Fisheries and Forestry in the June 23rd press release of the Fisheries Research Board of Canada.—(*Notice of Motion for the Production of Papers No. 95*).

And the question being put on the said motion, it was negated on the following division:
