

RECOMMENDATION

His Excellency the Governor General recommends to the House of Commons that Bill C-144, An Act to provide for the management of the water resources of Canada including research and the planning and implementation of programs relating to the conservation, development and utilization of water resources be amended as follows:

6. Strike out lines 6 and 7 on page 28 and substitute the following therefor: 'corporating the agency or in respect of its operating expenses or make loans to any agency in respect of capital costs incurred by it; and'

After debate thereon, the question being put on the said motion, it was agreed to.

And the House having reverted to the deferred question on the motion of Mr. Harding, seconded by Mr. Rose,—That Bill C-144, An Act to provide for the management of the water resources of Canada including research and the planning and implementation of programs relating to the conservation, development and utilization of water resources be amended by adding thereto a new Clause 5A to read as follows:

"5A. No inland waterways shall be diverted for the purpose of exportation without the approval of Parliament."

The said motion was negatived on the following division:
