REPORT

ON THE

Galway Mining Location:

COUNTY OF PETERBOROUGH, ONTARIO.

Having been instructed by the Directors of the Galway Mining Company of Peterborough to examine the mineral property of the Company, and to furnish them with an impartial Report upon the same, I visited the ground on the 23rd inst. in company with two of the Directors, Messrs. Rogers and Stephenson, whose knowledge of the locality was of much service. I avail myself of this opportunity to offer my thanks to these gentlemen for their kind assistance, and beg, at the same time, to record my conviction that the greatest reliance may be placed in Mr. Stephenson's judgment and suggestions, as regards the development of the property generally.

The Galway Mining Location comprises the west half of lot 20 in concession A of the township of Galway, county of Peterborough. It contains about 50 acres, and is held by the Company in fee simple. The Bobcaygeon Road forms the boundary of one side of the property. By this road, to the village of Bobcaygeon, on Sturgeon Lake, the distance is between 11 and 12 miles. From Bobcaygeon, freight can be shipped to Lindsay (22 miles), and from thence carried by rail to Port Hope on Lake Ontario, a station of the Grand Trunk Railway.
