## T. EATON CO.

President Ferguson of the Board Trade istructed its transportation offi- session here, voted unanimously this of Trade Tells of Progress cers to appear before the railway com- afternoon t chold the next conference mission and oppose the application of at Cincinnati in 1918. the Vancouver Board of Trade for a listened to addresses by Theodore reduction in the rate charged by the Roosevelt, Mayor Caynor, Oscar Straus North Bay is destined to be a great Canadian Pacific Railway from British Dr. David Phillipson of Cincinnati and rallway centre, perhaps the greatest Columbia coast points to, points east Jacob H. Schiff, who also acted as industry should be established in Torallway centre, perhaps the greatest Columbia coast points to points east toastmaster. Gov. Dix sent a telegram rento was the unanimous opinion of greeting.

Toronto. For this reason, and also berta, Saskatchewan and Manitoba, because Provident John Forguson of greeting. of the big men of Canada, what he said in his address to his board last

week, is worthy of more than passing North Bay sees its future as a railway centre, and leaves no stone unirned to have its dreams come true. President Ferguson refers in his address to the projected and suggested railway extension. At various times he had seen the president of the Canadan Alexandra President of the Canadan Alexandra President of the Canadan Pr

han Northern Rahway. Sir Wintam fackenzie had assured him that proconstruction of the Canadian Northern ter insulting two laddes, knocked the conductor out with some violent blows. ded North, Bay assisted him in sevia the Sturgeon River and He was fined \$50 and costs with the al-North Bay would be immediately pro-ternative of three months in the Cen-ternative of three months in the Cen-tral, when he appeare discover the mag-istrate yesterday. John Genereux, charged with beat-Grain Route." from the great lakes to

Uttawa, or more properly speaking, ing his wife, was allowed to go, as tapping the Canadian Northern his mother said she was there at the Transcontinental line at about the time and did noe see him touch the Township of Chishoim, forming a "Y" woman. "The whole case is bad," de-Township of Chishoim, forming a "Y" woman. "The whole case is bad," de-which would take in North Bay. This, perhaps, would require the co-opera-tion of Parry Sound and the interme-diate towns, with North Bay.

President Ferguson expressed the opinion that the Georgian Bay Canal, order, and 30 days in jail was meted

even if it costs \$100,000,000, should be to him.

built and would be begun soon. As a member of the executive of the Canamember of the executive of the Canamember of the executive of the Canamember of Boards of Trade case of Pascalo Madelina, who was and Municipalities he had discovered with sheether Nicolo Consider the larger either in Canamember of the larger either either the larger either either the larger either eith that many of the larger cities in Can-ada agreed with him on these points. him. Remanded ill the 25th.

'In his address he declared: "It is Four young chaps. M. Company of the chapter of the control of the chapter o In his address he declared: "It is gratifying to learn that the seed sown on behalf of the Georgian Bay Canal is not only bearing fruit in the Dominion, but has at last taken root in the mother land. The ultimate result is not only bound to hasten the construction, but will go a long way to assisting the financing of the undertaking. The next move is expected to be made by Montreal. The annual meeting of the federation is to be held in Ottawa on the first of February.

in Ottawa on the first of February. and in my judgment the last effort W. B. Nicoli, a well-known Toronto necessary to assure the early con-struction of the canal will be made." barrister, was buried yesterday from the residence of his niece, Mrs. A. Wright, Crescent-road. The interment way Commissioners intend to spend much money in extending the facilitook place at St. James' Cemetery.

The deceased was thought to be re ties in North Bay. Approximately \$1,covering from an attack of grip when he died suddenly while sitting in a 500,000 will be spent in the construc-North Bay northward. Owing to the fact that this roadbed will be conchair. He was the son of the late Dr. W. B. Nicoll. He was at one time prostructed thru property which is at pre-sent of little value, it will create ideal sites for industries which can be acminent as a cricket player and yachts-

quired at extremely low figures. The C.P.R. contemplate improving their workshop facilities which will give this railway an increase in its staff of from 75 to 100 familiar. The colored Comic Section in this week's Sunday World is better and brighter than from 75 to 100 families.

Altogether, President Ferguson's remarks bring up-to-date the plans of
the thriving northern town so that by
a little imagination the great development proposed in New Ontario can be
ment proposed in New Ontario can who has joined a circus; the Katzenjammer Kids' latest trick on the Captain. Then the blood isn't properly filtered by the kidneys are sent back through the system, and it's hardly to be wondered the system. there is Howson Lott's ex- that backaches and lame backs come to

The wheel guard was described as a tray or scoop, set right in front of the front wheels under the cars, and hanging within 8 inches of the will again be before the Ontario Rail-This afternoon the P.A.Y.E. system will again be before the Ontario Railway Board. The street railway is said to have increased the number of P.A.Y.E. cars from 50 to 170 since the board met a month ago.

Happy, Happy, It is essential that some device of this kind be under the car to provide for a small body such as a child by ing down which does not take up me room and is not rigid," said wit-

Witness said that Philadelphia was witness said that Philadelphia was
the only city in the States that had
trailers, according to his knowledge.
He did not think there was any protective device between motors and
trailers in Philadelphia.

Overcrowding was being studied by
the commission, but the traffic had so increased as to confront them with

many problems.

Cars "Loaded Judiclously." Justice Riddell: "Could we give you pointers on overcrowding?" "Some cars I have seen here, have been loaded as judiciously as any I have seen in New York," smiled wit-

The only solution was to add tracks and equipment. In 1910 New York had added 10,000,000 "car miles."

In 1908, before wheel guards were the order of the order o installed, 246 persons were killed, while in 1909, after installation, there had only been 161 fatabities, and these had been due to colliding with pavements or against the front of the car. There was only one case in which he wheel guard failed to pick up a

an without the commission discover the cause of the failure in e mechanism. The trial stands adjourned until Wednesday next at 11 a.m., and Mr. Drayton was given permission to hold his prosecution open, so he may have the benefit of any developments in the railway board's session, which opens to-day, when the result of their funding regarding the P-A-Y-E system will

come out. Passed Car at Speed.
