Rochester's Products to be Trimmed Saturday

This sounds like a baseball prophecy—but it isn't! It refers to the products of a famous Rochester clothing firm, whose name stands at the head of American ready-to-wear manufacturers for men. Without doubt, they're one of the best men's clothes-makers in the world; and yet tomorrow we're going to sell

These Norfolk Suits of Donegal Tweeds for \$10.95

If you told a citizen of Rochester, N. Y., this news, he wouldn't believe it, any more than he'd believe his team couldn't win the Eastern League Pennant. And the reason is that he himself would be asked to pay more than twice this price for this identical suit in his own home town!

This is a Great Chance for Eighty-five Men

If the Norfolk style is not your first choice, there are other two-piece outing suits included in this sensational little sale—eighty-five of them, all told, and every one rare value. Donegal tweeds, tropical tweeds and fancy worsteds, all imported, are the materials they're made of; all sizes from 34 to 44 are included. Offered at EIGHT O'CLOCK SATURDAY MORNING at \$10.95.

Prices from 75c to \$2.00. Saturday morning price, each .50
