FRANCE'S IRE STIRRED ITALY IS PENITENT

Continued From Page 1.

France has written a letter to M. Poincare pointing out the injury to neutral shipping caused by the Turco-Italian war, as clearly demonstrating the urgent necessity for the establishment of an international prize court, and asking him to do his utmost to hasten the ratification by parliament of The Hague convention of 1907, the claration of London of 190 additional protocol thereto of 1910.

Will Release Steamers.

ROME, Jan. 19 .- The Italian Govern pent to-night telegraphed the authorities at Cagliari to immediately release steamer Carthage, which recently was seized by the Italians, and her was selzed by the Italians, and her cargo. It is said that the steamer Manouba, a French, line mail boat, which was captured by Italian destroyers, also will be released after a number of the steam of ber of Turks, who were on board her,

The order for the release of the Carthage was sent after the French charge d'affaires here had assured Foreign Minister San Guiliano that Aviator Duval, who was a passenger on the steamer, had announced to the French Government a formal undertaking to place neither himself nor his aero-plane at the service of either the Italian or the Turks in Tripoli, whither the Carthage was bound when she was captured. The charge d'affaires told Marquis San Guiliano that the French Government would see to it that Duval strictly observed his promise.

Bombarded Zoara.

TRIPOLI, Jan. 19.-As punishmen on Italian boats, the warships Carlo
Alberto, Iride, Fulmin and Ciprio Caslope to day bombarded that locality, to-morrow afternoon others will be destroying the barracks, the residence of Kaimakan, or administrator, and sweeping the Turkish tremeles.

At the annual meeting of Walmerroad Baptist Church, held last right, the memoers were presented with the information that during the past year onto, Eglinton Baptist Church, Church or Kaimakan, or administrator, and sweeping the Turkish trenches. A number of Turks were seen fleeing in disorder. Many of them were seen fleeing in disorder. Many of them were seen fleeing in disorder. disorder. Many of them were struck by Italian shells.

Turks Fought Bulgarians,

MONDON, Jan. 19 .- Turkish troops had a sharp fight with a Bulgarian band near Kratovo, a town of 6000 inhabitants in the Vilayet of Ko-sovo, a short distance east of Uskub, says a despatch to a new agency from Saloniki. Five of the Bulgarians, in cluding their leader, were killed, while the Turks lost one man. It is said that bombs and a number of important documents were found on the dead

Trades and Labor Council Appeals for Changes on Assessment Laws -Long List of Suggestions.

der spot in Sir James Whitney's political make-up, Mr. Simpson introduced the subject warily.

"There is one subject that has given you considerable prominence in the last provincial campaign," began Mr.

an human beings.
"Are there any such places as you "Are there any such places as you Yes, at the Soo," replied Mr. Simp

edical inspection in mining camps.

May Have to Strike.

Joseph Gibbons, business agent of the Street Railway Men's Union, made a strong plea on behalf of overworked motormen and conductors. He asked Sir James for legislation to compel the 9-hour day to be concluded in 12 consecutive hours.

The premner chuckled audibly about the prospect of a lot of municipalities or communities all with their individual set of laws on taxation, morals, and \$7591.57 was collected for the new Great Danger From Wires.

Continued From Page 1.

tended to by Dr. Roland Rice and removed to his home in the police Sir James for legislation to compet the 9-hour day to be concluded in 12 consecutive hours.

"The motorman has no easy time of the Portland-street hall, was one of the men who were holding the line. When it said he, "operating a car weighing it escaped it swung about the road like a great serpent. The stream struck except for vigilance, an accident may him against the strongch, hurling him against the strongch and the strongch. many and devious were the suggestions for improved legislation occur at any corner."

made to Sir James Whitney and his cabinet yesterday afternoon by a continued. "The great majority of and attended by Drs. G. Silverthorn migde to Sir James Whitney and his cabinet yesterday afternoon by a delegation of the Outario executive of the Trades and Labor Congress of Canada. As one speaker after another stepped forward and presented his particular grievance Sir James threw down his pen with the customary impetus and remarked: "I wonder will this old world ever be fixed up to suite everybody."

The deputation. which was introduced by Allan Studholme, M.L.A., consisted of W. Lodge, Ottawa; G. Craminond, E. Elliott and W. Worrell of Toronto, composing the executive committee; Fred Bancroft, vice-president of the Trades and Labor Congress. James Simpson, J. Bruce, J. Doggett, W. Glocking, J. Barnett, Leon Worthall and others.

Of all the petitions presented, none was so forcible, instructive and amusing all at the same time as James Simpson's plea for reform in municipal taxation, and the assessment of improvement values at a lower rate than land values.

Conscious that he was hitting a tender of the Conscious that he was hitting a tender of the petitions presented to the long hours of motormen and conductors, the premier replied: "How they've got to be changed," he declared. "I don't care how, but they've got to be changed," he declared. "I don't care how but they've got to be we appeal now to you considerable for reform in municipal taxation, and the assessment of improvement values at a lower rate than land values.

Conscious that he was hitting a tender of the petitions of the control." "The great majority of them have their day spread out over the fair-wage of the was attended by Drs. G. Silverthorn and the expected his been into the desired and two between the peritor of the wexperted hall came line to be responsible for everything under these conditions, thru lack of sleep and the wearings the secondary in the secondary in the same transport of the swinging bose. It snapped like a pipe stem and he was seen pulling himself along the leave the swinging bose. It should have the swinging bose. It should have the swinging bose. It should

Did you say 'prominence?'' interrupted Sir James.
"Yes, sir, I said 'prominence," replied Mr. Simpson. "It is regarding
the right of municipalities to change
and adjust their system of taxation.
There was something doing right
from that moment. To the most impartial observer Sir James left no
shadow of a doubt that he was utterly and entirely opposed to any such
proposition as Mr. Simpson presented.

The abolition of barber colleges. Compulsory use of up-to-date safety appliances for protection of high-tension
electric power linemen.
Amendment of the laws providing
for the eviction of tenants, so that they
do not apply to workmen while on
strike.
