Men! You'll Find That EATON-Made Suits

Are of Cloth in Which You Can Have Every Confidence

Cloth that is so good, in spite of prevailing conditions, which will likely continue for some time—that the question arises as to whether or not the buying now of suits for future wear is the wisest plan. Bear in mind, also, that EATON-made Suits are guaranteed to retain their shape—a cold-water process of shrinking the canvas and staying, makes possible this guarantee. And, although the suits featured for today are decidedly moderately priced at \$25.00 and \$27.50, they're hand-tailored, even to the buttonholes. They're in single-breasted, two and three-button semi and body-fitting styles, and for the young men are the all-around belted models of union worsted; also Lovat and brown fancy tweed effects, in grey and rich dark brown, small checks, dark fancy thread stripes, 2 side, 2 hip and a watch pocket; with or without cuff bottoms. Sizes 34 to 44. Price, \$25.00 and \$27.50.

"BURBERRY" ULSTERS—KNOW THE COUNTRY OVER FOR THEIR RICH APPEARANCE AND COMFORTABLE, SERVICE-GIVING QUALITIES.

At \$50.00 are big wholesome coats, of fleecy blanket and Whitney cloths, in light and dark browns, light, medium and dark greys; Lovat and heather mixtures. In the double-breasted, full-fitting style, with deep, convertible storm collars; waist and sleeves are lined with shot silk effect. Have wind cuffs in sleeves. Sizes 36 to 46. Price, \$50.00

THE FUR-COLLAR OVERCOATS ARE "THE COATS OF THE HOUR" AND SPECIALLY FAVORED BY YOUNG MEN.

These are of firmly woven chevrots, in the double-breasted, body-fitting, knee length styles, with slash and regular pockets. In light and dark browns and Oxford grey. Have collars of Nutria Hudson seal (muskrat dyed) and beaver in the shawl style, and are lined throughout with heavy twill Italian cloth. Sizes 36 to 42. Priced from \$27.50 to \$60.00.
