Principal Holmes of Hill Crest Public School, besides having plants of all kinds in his room, has a splendid collection of birds' nests.

At 2.30 this afternoon a cricket match will be played on the Dovercourt cricket ground by the St. Cyprianians against Dovercourt. The following are the St. Cyprian's team: Clark (captain), Wise, Wheeler, Jones, Case and Baker. The reserve are Skinner and Davis.

A public meeting was advertised to take place at Hill Crest Public School, to discuss the advisability of annexing Bracendale district, from Poplar Plains-road in the east to the Northern Railway tracks in the west, and St. Clair-avenue in the north to Toronto. At 8.30 some thirty stalwarts presented themselves to be instructed as to why the district would fare better as part of Toronto. At 8.40, when some ninety were present, J. C. Ross was elected chairman and C. H. Forester secretary. The chairman read the petition, which asks annexation to Toronto, the assessment to remain the same for five years, except such lands as are sold during said period. The speaking dragged, but questions were asked, such as "Who are the promoters?" The assembly was not enlightened. "Can't we get water and sewer without going to the city?" "All you want if you pay for it," came a voice in the audience. Constable Ford of Dovercourt showed that if the district gets water and sewer from the city, while part of the township, these conveniences will cost us more than annexation. J. McLean said he was decidedly against annexation. Mr. Copboy concurred. Messrs. Neil and J. Dinwoody questioned if there was

anyone present who could speak authoritatively as to what the district would receive if made part of a committee. R. Cameron considered the annexation or the staying with the township as a merely selfish act. H. Bromley related his experience with a failure. He advocated the getting of conveniences needed by local improvement from the township council. Mr. Swanson of Dovercourt said that his district was worse off than Wychwood and considered it would be beneficial if that district could be annexed. A resolution was carried to appoint a committee to interview the board of control as follows: Messrs. Dinwoody, Swanson, Jay, Henderson, Birke, Bromley, Pickles, Hird, Heron, Ross, Allen and Wanless.

Weston. The business men of Weston have called a meeting for Tuesday night in the town hall for the consideration of early closing.

York Mills. St. John's Church, York Mills, will hold their annual picnic in Whittem's Grove on Saturday, June 22.

Humber Bay. The engine-house at Maloney's brick yards, half a mile west of the Humber, was burned early yesterday morning. The loss is about \$2500.

In another column will be seen a notice of 150 acres of pasture suitable for horses at Bedford Park. See John Moxon or Fred Trent.

East Toronto. East Toronto, June 1.—Emmerson Maxwell, ledger keeper at the East Toronto branch of the Metropolitan Bank, has been promoted to the position of teller at the Elmira branch. He will be succeeded by Stewart Brown, while J. J. Macdonald of Dundas will take the position vacated by Mr. Brown.

East Toronto baseball team will play the St. Joseph's to-morrow afternoon. The Strollers' Athletic Club will play the Norway team at Norway on Saturday afternoon.

The assessment returns just submitted by George W. Ormerod are of the most gratifying nature, and show a total population of 3771, divided as follows: Ward 1, 1073; ward 2, 1445; and ward 3, 1253. The assessed value of the property is distributed thus: Ward 1, \$680,070; ward 2, \$694,010; and ward 3, \$489,940, or a total of \$1,714,020.

There will be done out at Chester on St. Barnabas' Day, June 11, when the friends of St. Barnabas' Church will out rival the record hitherto held by the members of Red-avenue Baptist Church with respect to despatch in the erection of a sacred edifice. A new mission is being established under the charge of the parish of St. Barnabas, Chester, at the corner of Bee-street and Pape-avenue, and on

Oriental Rugs To Club Members and Others

The first cost of an Oriental Rug is greater than some other floor covers, but that won't affect members of the Housefurnishing Club, because they can pay at convenience. An Oriental Rug is in the end the cheapest floor cover you can buy, because of its positively wonderful durability. Unquestionably they are most artistic. We have a larger and more varied stock of genuine Orientals at the present time than ever before. One of the best collections in Canada is thus at the service of members of the Housefurnishing Club, and Simpson prices rule in every case.
