Mr.George Anderson, late Commissioner to Japan, was in the chair. Dr. Mennie read communications from Fergus that the entertainment will consist of a banquet, sports and a concert in the evening. Stirring speeches were made by Drs. Spence, Menzies, Webster, and Messrs. A. Driver Badly Hurt.

John S. Smith, a driver for Willard & Co., 86 East Front-street, met with a serious accident yesterday, which will contine him to his home for perhaps a month. He was delivering some lumber in a store on Queen-street, and when passing through an entrance, a heavy scantling, which acted for a gate, fell upon him. His back and head were injured, and his shoulder sprained. After being attended to by Dr. J. P. Russell of Simcoe-street, Smith was removed to his home at 121 William-street, in the ambulance.

The Ontario Government is considering the establishment of a provincial printing bureau. MONEY TO LOAN ON STOCKS INTEREST ALLOWED ON DEPOSITA
