WHAT WASHINGTON THINKS.

on Temper of the Powers.

Washington, Aug. 1 .- Te Chinese Imperia the stege was from a determination to destroy the British legation by burning the adjoining Han Lin Yuen (National College), one of the most sacred buildings in China, a sacrificing the unique library. The China sacrificing the unique library. The China case throut acted with characteristic ese throut acted with characteristic ese through the constraints of the constraint Another letter has been received at Tsin from the British Minister, Sir Claude MacDonaid, dated July 24:

"We are surrounded by Imperial troops," Yet a Shanghai special says Li Hung he writes, "who are firing on us continuously. The enemy is enterprising, but cowardly. We have provisions for about a fortnight and are eating our ponies.

"The Chinese Government, if there be one, has done nothing whatever to heip one, has done nothing whatever to heip up. If the Chinese do not press the attack we can hold out for, say, 10 days. So no time should be lost, if a terrible massacre time should be lost, if a terrible massacre.

"The Times Says.

"The Chinese Government is not nearly so much so as time should be lost, if a terrible massacre that the Winisters were safe on that date. Eviction was overpressimistic, as Dr. Morrison, under date of July 21, announces the arrival of supplies. In view of this it is quite within reason that the edict announcing the safety of the Ministers would have some effect on the Ministers on 28th is correct. Sir Claude MacDonald's latest letter, while a strong indictment of the Chinese Government is not nearly so much so as Dr. Morrison's despatch.

What The Times Says.
