

The Managers record, with much regret, the death of three very efficient Members of their Board,—the late Messrs. John Shea, A. T. McCord, and J. W. Drummond. Each of these gentlemen was for many years connected with the House: they were all its zealous and devoted friends, and kind benefactors of the poor.

The Managers cannot conclude without acknowledging the faithful services of the Superintendent and Matron, Mr. and Mrs. Duckett.

The usual reports of the Treasurer, Superintendent, and Medical Officer, are found herewith.

All of which are respectfully submitted.

NEIL C. LOVE,  
*Vice-Chairman.*

W. J. MACDONELL,  
*Secretary.*

Toronto, January 24th, 1882.
