LINDSAY, Feb. 16.—In the fastest game of hockey played on the local rink this year, the local intermediate defeated the Toronto Rowing Club by the score of 6 goals to 1. The game did not start until 9.15 owing to the train being delayed, and it was after 11 o'clock when the final gong rang. Both teams played with a vim and determination, and both showed fine speed and good combination. Nowould be difficult to particularize any played on either team, but the work of Randall and Cotey cannot be passed over as they were in the thick of the struggle all the time. Koyl played his usual fine game on the defence.

For the T.R.C. Pacer McDougall, a former Lindsay Midget, played a fine game at centre and was ably assisted by Kent, Heal and Curtis. The only goal scored by the Rowing Club was scored from a face-off near centre ice and caught Newton napping.
