Entente Warships May Alter Whole Aspect of Austro-Italian Campaign.

Lite is Scarcely Worth While When the Liver Goes Wrong

TT may be putting it too strongly to say that "everything depends on the liver." And yet this is not far astray when you consider what a host of human ills have their beginning in a sluggish, torpid condition of this filtering organ.

You arise in the morning with the tongue coated, a bitter taste in the mouth, and the head aching. You find that you have dizzy spells and are bilious, with looseness and constipation of the bowels alternating.

Your appetite becomes fickle and what you do eat does not digest properly, and you suffer accordingly. Gases from the fermenting food crowd about the heart, and cause smothering feelings and blinding spells.

As the biliousness hangs on the complexion becomes sallow and

Clergyman Had Bilious Attacks for Four Years **Now Entirely Cured**

Rev. George Alton, Gananoque, Ont., writes: "I had been suffering from bilious attacks for four years. I was very weak, had headaches, and my stomach was so bad that I could hardly eat anything without being troubled by it. I had tried many cures, herbs, pills and salts, and was under the doctor's care for some time, but instead of getting better I seemed to get weaker. I was unable to follow my appointments on Sabbath, and had to secure help. I used to take dizzy spells and could not walk across the floor straight. I had almost given up all hope, and my wife said that if I did not get better we would have to quit the work of the ministry. However, in looking over The British Whig, the well-known Kingston paper, I saw Dr. Chase's advertisements in it, and read how Dr. Chase's Kidney-Liver Pills had helped others who were troubled as I was. I resolved to give these Pills a trial, and I must say that in a short time I obtained relief. I continued taking them for some time, and now I am able to resume my work again. From the benefit I have obtained from these pills, I would recommend them to all who suffer as I did."

Rev. C. Cunningham, 124 First avenue, Toronto: "This is to certify that I am personally acquainted with Rev. George Alton of Gananoque, and believe his statement with reference to Dr. Chase's Kidney-Liver Pills to be true and correct:"

muddy, and dark rings form around the eyes. The whole system is poisoned, the kidneys are overworked in an effort to cleanse the blood, and when they fail such ailments as rheumatism, dropsical swellings and Bright's disease have their beginning. To prevent this chain of

troubles it is necessary to keep the liver active by the use of such treatment as Dr. Chase's Kidney-Liver Pills.

The phenomenal success of this medicine is due to the unique combined action which it exerts on the liver, kidneys and bowels.

The liver is aroused, the kidneys are invigorated, the bowels are regulated, and the whole filtering and excretory system is thoroughly cleansed. Pains and aches disappear with the poisons. Digestion improves, and you soon find yourself feeling fine. This letter from Rev. George Alton will interest you.
