Sensational Sale

---HIGH GRADE---

You doubtless will recall the remarkable interest the public took in our three days' sale of last week. How it resolved itself into the most sensational sale of men's suits ever known in this city. Hundreds of men benefited from this great clothing event, and so great was the response that we were forced to close the doors for several hours on Thursday and Friday. The public took us at our word, knowing full well from many years of honest business methods that they could depend upon us. We are going to give you another sensation in High-class Tailored Overcoats for Friday and Saturday. We are going to outdo the effort of last week in offering you exactly 273 High-Grade Men's Tailored Overcoats, comprising the Season's Correct Styles and most popular cloths, at reductions which mean actual savings from regular prices of not less than \$15.00 each. We want you to take our word for it again. We want, moreover, to impress upon every man that these coats are worth today much more than our original selling prices, and that we are offering you an opportunity to get these overcoats at less money than they would cost today wholesale. These are the plain unvarnished facts, that we ask you to come in and prove to your satisfaction, and upon

AURA LEE BADLY **MAULED BY TIGERS**

Hamilton Gain Revenge for Defeat in Toronto, by One-Sided Score.

Hamilton, Ont., Jan. 23.—The Tigers not only got even with the Aura Lee six for that defeat at Toronto, but they overwhelmed the visitors at the Arena tonight, winning by 11 to 1. The Bengals came right back with a performance fully equal to that against Parkdale. Their combination play had Aura Lee bewildered completely, and every Tiget checked his man into the ground from

bewildered completely, and every Tiger checked his man into the ground from bell to bell.

Reis, the big Tiger defence man, was the star of the night. In the first period he broke thru at will, stick-handled his way past the defence, and buiged the net for two counters. Then he came right back after the rest and banged in two more in rapid succession. Aura Lee, battling desperately, notched their only counter in this period. Thereafter they were completely outclassed. Tigers added another, making the score 5 to 1. In the last period Tigers ran away from the visitors, Reise, Cooper, Boyd and Max Smith combining in some of the prettiest combination ever dished up to local fandom, and it netted six more goals, the highly-touted Forbes being made to look like a novice. ST. MIKES NEARLY **DOWNED CHAMPIONS**

St. Michael's College nearly upset the porridge pot by leading University Schools for the greater part of their same at the Arena yesterday. U. T. S. staged a whirlwind finish and won 6 to 4. Had not Millan been injured and forced to retire in the final minutes of the last period, thereby disorganizing the St. Michael defence, it is open to doubt whether or not U. T. S. would have been able to pull out from behind as they did. It was a splendid little contest, with St. Michaels showing a marked contrast with their form on previous occasions with the exception of their game with U. C. C. They worked a nice cureer man combination play continually and offsetively thaf U. T. S. were absolutely unable to get going properly. But the special of the strong of the third period, Aggett scorting one in five minutes and after that U. T. S. were absolutely unable to get going properly. But the scates reversal of form was shown in soal. All credit must be given to Lorsong A. Lorsong and the rebound of Munro's shot. Nettelling the U. T. S. squad scoreless from Munro, and he broke the two minutes later when he knocked in the rebound of Munro's shot. Nettelling the U. T. S. squad scoreless from Munro, and he broke the wing. Nettelfield; left wing. Plaxton; shot. The teams:

U. T. S. Jound the traveling easier. Aggett; right wing that time the Irishmen beat Sullivan four times.

To Kilen goes all the credit for St. Michaels—Goal, Loranger; defence, Munroe, Millan; centre, Lynch; right wing played the game of his career yesterday and was right on the net every time the puck left his stick. He was given a lot of help by Lynch. Mun-
