# CHARGE FRAUD IN OIL SHARES SALE

## Matter Goes to Crown Attorney—Texas Company Makes Offer.

A meeting of ward two ratepayers' executive committee was held at the secretary's residence, 2 St. David's place, Saturday evening, when the matter of the Imperial Production Company, Dallas, Texas, and the sale of shares thru H. W. Hodkinson, a Toronto broker, was further discussed.

Roy J. Tanner read a communication from the company as follows: "We have been advised that H. W. Hodkinson, a broker of Toronto, some months ago agreed to sell you some shares in the Imperial Production Company, which stock has been sent him to a Toronto bank with draft attached, but for which stock he did not pay and the bank was compelled to return it to us.

"We have written a great number of customers of Mr. Hodkinson's and find that he has apparently defrauded many of them, all of which our board deeply regrets; and after discussing the matter thoroly, the board passed a resolution as follows: That the president of the Imperial Production Company is authorized to offer to all known subscribers who subscribed for Imperial stock and paid for same to W. H. Hodkinson, a double amount of shares so subscribed and paid for upon receipt of an application and check accompanying said application for an equal number of shares at $1.50 per share as originally subscribed and paid for by such customers."

The company further recommends that the matter be placed in the hands of the district attorney.

Mr. Tanner also reported that a letter had been sent to the commissioner of police at Dallas, but that no reply had been received up to the present.

H. Worters, who paid Hodkinson $145, for which he was to receive the sum of $250 in 30 days, stated that Hodkinson impressed him as a man of considerable means. His office at McClelland building, 81 Victoria street, was handsomely fitted up and six clerks were kept busy with piles of correspondence.

An east end chemist, who received checks from Hodkinson, said they were returned from the bank marked "no funds."

It was decided to place the facts as stated before the crown attorney. The present whereabouts of Hodkinson is not known.

## Art and Poultry Exhibits Exceed Expectations—List of Prize-Winners.

The second day of Weston, York and Etobicoke Fair, held on Saturday, was a record in gate and other cash receipts, the total being about $2000. The dull weather of the morning had the effect of keeping the attendance a trifle lower than last year, but in other respects the day was marked by exceptional features. The manufacturers' tent contained a good supply of local products, while the art and poultry exhibits, judged on the previous day, far exceeded expectations.

In the ladies' riding and driving contests, there were upwards of a dozen contestants, the winners in the riding being: 1, Miss W. J. Fowler, 464 Bathurst street, Toronto; 2, Miss M. M. Secor, 224 Silver Birch avenue, Toronto, and in the driving, 1, Miss Gladys E. Taylor; 2, Miss Secor; 3, Miss Fowler.

In heavy horses (draught), R. Livingstone, Woodbridge, carried off the sweepstakes. Alf Baggs, Edgley, carried off the sweepstakes in the agricultural class. T. Stubbard of Weston took the sweepstakes in the Percherons.

# SILVER COIN PLOT IS NIPPED IN BUD

## Syracuse Clearing House Prevents Threatened Invasion of Canadian Currency.

Syracuse, N.Y., Sept. 18.—A plot to flood Syracuse with thousands of dollars of Canadian silver coins, passing here at full face value, was frustrated by action of the Syracuse Clearing House Association in making effective yesterday current rates of exchange between Canada and the United States, thereby preventing large profit-taking by a group of investors seeking easy wealth.

It is declared that fully $50,000 in Canadian half and quarter dollars and dimes has been brought into this city in the last few weeks by persons out to make substantial profits in redeeming or using at full face value Canadian silver money obtained in Canada at the prevailing rate of exchange.

Under the ruling of the Clearing House Association, half dollars will now be accepted here at a value of 44c, quarters at 22c and dimes at 8c.

It is known that large accumulations of Canadian silver have been held for circulation, especially during fair week, when money is in extra circulation thruout this territory.

## FINE OPENING MEET OF TORONTO HOUNDS

**Fifteen Couples of Fox Hounds to Augment the Local Pack.**

Beautiful weather, altho a trifle too warm for ideal comfort, greeted the opening meet of the Toronto hounds on Saturday, and those cross-country enthusiasts to whom the lure of the polo match, or even the ponies running at Thorncliffe, lacked sufficient inducement, were amply rewarded by an afternoon of splendid sport.

The master, Mr. Geo. W. Beardmore, who has but recently returned from England, was one of the earliest to arrive at the meet, which took place at Major Kilgour's farm, Sunnybrook.

Mr. Beardmore has returned to the game with all the enthusiasm and wholehearted vigor which has made him such a popular M.F.H., and he was kept busily employed for some little time in acknowledging the hearty greetings of "his field."

Mr. Beardmore, during his sojourn in the "old land," after going to considerable trouble, was successful in procuring fifteen couple of first-rate English hounds to augment his Toronto "pack." These new hounds are already on their way over.

The run, which was laid in a northeasterly direction, thru the Sunnybrook estate, provided capital going—several good, lengthy gallops, and excellent fencing, for which that part of the country is so well noted.

Some of the young hounds, which were out for the first time, gave a very good account of themselves, running on "the line" unswervingly, faster and just as steady as their older and more experienced brethren; consequently, with the fresh ones coming over from England, the Toronto Hunt should have in the near future a pack about which they will have just cause to boast.

Amongst those in the saddle were: The master, on Sunrise; Mrs. Sifton, on Emperean; Mr. Harry Sifton; Mr. Douglas Young, on Hornet; Miss Dorothy Cassels, on Prudence; Miss M. Broddy, on Over There; Miss Beulah Wilson, on Cannie Jean; Rev. R. H. Thomas, on Grey Ghost; Mr. A. E. Dyment, on Mail Order; Major Timmis, on Demi-Strome; Col. Sanford Smith, on Tick (both returned from overseas); Dr. Chas. Temple, on Sunshine; Major Denison, on Dolly (two more veterans); Lieut. A. Woods, on Biddy; Brian B. McColl, on the master's horse, Dalesman; Dr. Canfield, on Sweetheart; Messrs. P. C. Phillips, on Scotch Actor; A. Jarvis, on Pansy; Davidson, Mainsprig; Lex Wilson, on Queen's Own; G. Harvey, on Tenacity; H. Tuplin, on Beehive; Huntsman J. Mee, on Kildare; first whip, on Beverley. The notice of the next meet will appear in this morning's World.

## Shields Alone Unbeaten In Old Country Soccer

London, Sept. 19.—The soccer league contests attracted the usual multitude of spectators. The feature of the matches was the reversals of form which even for football were extraordinary. All clubs were meeting opponents of the previous week and sixteen of the thirty-three encounters had different results, five in the first division, seven in the second and four in the third. Fortune almost invariably favored the teams playing on their own grounds, thus affording strong support of the theory of the advantage enjoyed by home players. The most striking illustration of this was afforded by Clapton's five goals victory over Stockport, who last week won by six to nothing. An example of form more than confirmed was given in Watford's defeat of Northampton, seven to one. Last week Watford won one to nothing. Other good winning margins in the third division were Merthyr's 6 to 1 against Gillingham, and Brighton's 4 to 0 over Brentford. The results further emphasized the curiously small number of unbeaten clubs so early in the season. No club has played more than seven matches, few more than six, and the only club clear of losses is Shields, which, tho little beyond the recruit stage in league football, stands ahead of the second division.

## Two Hundred Bowlers in Peach Day at High Park

The ninth annual Atkinson Peach tournament was held at the High Park greens Saturday afternoon. Two hundred bowlers participated, which necessitated 25 five-men combinations, representing 30 different clubs of the city and vicinity. Owing to the large prize list, consisting of peaches, plums, chocolates, melons, coal and onions, few were disappointed. The winner this year was a rink skipped by the evergreen Johnnie Hall of Port Credit, with J. D. Spence and S. J. Stubbs of High Park as leads; W. Dickson, Oaklands, second, and John Campbell, High Park, vice.

The chairman was assisted in the presentation of prizes by R. M. Graham, High Park; J. A. H. Burt, Balmy Beach; R. B. Rice, Queen City; Rev. J. W. Pedley, Victorias; Ald. Frank Johnston, St. Matthews, and Johnnie Hall, Port Credit.

Every credit is due to Percy Atkinson and his large committee with special mention to Harry Fullerton, the efficient secretary, for the success of this unique event, now recognized as one of the big features among bowling tournaments.
