

BUCHU AND UVA URSI.

"Buchu" is an extract prepared from the leaves of plants growing at the Cape of Good Hope; they are collected there by the Hottentots, who value them greatly for their medicinal qualities, and have long used them. It is gently stimulant, and is given chiefly in complaints connected with the Bladder, such as Gravel, Chronic Catarrh, Morbid Irritation, Disease of the Prostrate Gland, &c.

"Uva Ursi," or trailing bearberry, is chiefly indigenous to high latitudes, to the Pyrenees and to the Alps; it was known to and much used by the ancients.

It has acquired reputation as an Antilithic, and has undoubtedly been serviceable in Gravel, partly by a direct action on the Kidneys, partly by giving tone to the Digestive Organs, and preventing the accumulation of principles calculated to produce a secretion or precipitation of calculous matter.

The Compound Fluid Extract bearing the name of Victoria Buchu and Uva Ursi, is a combination of these two ingredients prepared from the Formula of Dr. RUBINI, and is a Specific Remedy for all diseases of the Bladder or Kidneys, and all affections of the Organs, appertaining thereto, from whatever causes arising. The eminent and learned European Physician Dr. RUBINI, for many years was celebrated for his *wonderful cures* of Disorders in those Organs. His name was known in every Court of Europe, and Crowned Heads resorted to him for advice. After his death, the Prescription was obtained from his Family. Two of the ingredients entering into this celebrated Medicine, viz: Buchu and Uva Ursi, are now used by all Physicians for the cure of such Disorders. But the great secret of Dr. RUBINI'S peculiar and eminent success lies in the combination of these two ingredients with certain other *vegetable* productions: these are all combined in this Medicine, which is prepared with the utmost care from his Formula; and wherever used the Victoria Buchu and Uva Ursi has invariably given the most decided and unequivocal satisfaction.

This Medicine (now so well known) is prepared only by the Victoria Chemical Co., Toronto, bears the name of the Company with their trade mark as shown on page 17, and is for sale in all parts of the Dominion. Price, \$1.00 per large bottle.
