LITARY MEDAL FOR 'WILBUR' OF ST. JOHN

(Frederickton Gleamer)

Another New Brunswick soldier has been decorated for gallantry on the western front, a St. John man named Wilbur having been awarded a military medal, according to information contained in a letter received here from Lieut. Theo. C. Barker, of this city, who is on the firing line with B Battery of the 85th Brigade, Royal Field Artillery.

According to Lieut. Barker's letter, which was received by his father, Wilbur was awarded the medal for his work in the engagement on July 1. He is the only other Canadian in the battery with a medal. Wilbur is a bomb signaller.

LOCAL NEWS CHANGES IN VOTERS' LISTS

SOMEbody's PET
An automobile killed a little black and tan dog in Waterloo street this morning. A lady thoughtfully telephoned the Times that the owner would find his body beside the fence near the new gymnasium.

THE MILK QUESTION
The milk question between Kings county farmers and local dealers is still unsettled. While some dealers have made satisfactory arrangements with producers others have not. It is expected that an evening meeting of the farmers was held in Sussex and a delegation was appointed to wait on local dealers. What the outcome will be is a matter of conjecture, although it is an open secret that some dealers propose to agitate an increase in the price of milk to the consumer.

ROTARY CLUB

Address by T. H. Hutchinson—
Move For National Daylight Saving

T. H. Hutchinson, national boys' secretary of the Y. M. C. A., addressed the Rotary Club at its noon luncheon at the Royal Hotel on the subject of "The Boy in the National Life of Canada." It was a very thoughtful and interesting address leading up to the great boys' conference to be held in this city. With the aid of a blackboard, Mr. Hutchinson set out very clearly what is meant by the standard efficiency tests and he made a vigorous appeal to the members of the local club to give every assistance in their power to the work of developing the boys to be of the greatest service to the nation. E. Clinton Brown was in the chair and Mr. Elliot, president of the Canadian Press Association and Mr. Saylor, chairman of the weekly section of the association, among the guests. The club adopted a resolution urging the federal government to make daylight saving national next summer.

CHANCE TO JOIN THE 65TH FIELD ARTILLERY AND SOON GO OVERSEAS

Major J. H. Evans, O. C. of the 65th Field Artillery Depot Battery at Woodstock, arrived in the city today on recruiting business. In speaking of his battery he said that he would like to have a number of the winter months, about 300 men and that for every fifty men recruited he was entitled to one lieutenant. Major Evans has instructions from Ottawa to the effect that as soon as fifty men are recruited and have a few weeks' training, his recommendation will proceed to England and there will complete their course. This battery has already sent two drafts overseas, the first under Lieutenant White and second under Lieutenant Winslow.

THE TORPEDOED CABOTIA WAS WELL KNOWN HERE

The Donaldson Liner Cabotia, which is believed to have been sunk according to a London dispatch published yesterday in The Times, was well known here, having plied between this port and Glasgow during the season of 1914-15. She was a former Allan Liner, called the Ontarian, but prior to the outbreak of the war, was purchased by the Donaldson Line. She was built in 1900, was 2,780 tons registered, and was 383 feet long. On her last trip she sailed from Montreal for Glasgow. Captain John Mitchell was in command. He was formerly on the Cassandra and is well known along the local water front.

POLICE COURT

This was "excuse day" in the local police court. There were six prisoners charged with drunkenness and each an excuse was called. Number one said he was working on the Valley Railroad and missed his train last night; number two made known the fact that he was on his way to McAdam Junction and missed the train; number three offered an explanation that it was his first appearance and he asked to be let go; number four said he had not been here since last April, he also begged to be "excused"; number five said he was a returned soldier and, that since returning, he attempted to enlist again but failed to pass and one the strength of his past services to his country he asked the magistrate that he be "excused." Last but not least, number six said: "Well, Your Honor, I can not find an excuse left so I guess I will have to plead guilty." However after weighing the "excuses" thoroughly, the court fined each of the six \$5 or two months in jail.

Connel of the 141st Overseas Battalion of the Canadian army today paid to federal officials \$1,000 forfeit for when Connel failed to appear yesterday before United States Commissioner to answer a charge of violating neutrality laws by recruiting men in the United States for the Canadian service."
