AMUSEMENTS IN ST. JOHN: WHAT THE PLAYHOUSES OFFER

UNIQUE. The picture for Friday and Saturday include The Higher Law, a Thansuser drama; Playing With Hearts, a home, the church and the sea. The action subject, The Light Brown Girl, involves a minister, a sailor, and his wife and Baxter's Ward, comedy. Baxter's Ward is said to be a language comedy in list of the talking pictures, the manager which ranchmen and cowboys figure prominently being unable to hold their tongues

tensively. Baxter, the ranchman, is expecting his nice and ward from the East and the cowboys are anxious to see what she is like. The "dile" manages to get her consent to his proposal of marriage. The Higher Law is described as a beautiful story of sentiment, capably enacted, combining the healthy atmosphere of the home, the church and the sea. The action subject, The Light Brown Girl, involves a minister, a sailor, and his wife and Baxter's Ward, comedy. Baxter's Ward is said to be a language comedy in list of the talking pictures, the manager which ranchmen and cowboys figure prominently being unable to hold their tongues

As an extra feature How Women Win will be repeated Saturday with the regular bill. **NICKEL.** Today at the Nickel there is going to be a programme which for general excellence will be hard to beat for some time to come. The pictures as mentioned in this list offer much that is good. The Vitagraph Co. will have another of their excellent social plays in the life of comedy under the title The Vager. The leading players in this delightful little sketch are Miss Lillian Wheeler and Earl Williams, two rising favorites. The Soligo's offering will be mainly devoted to pictures of topical interest, one of them The Making of a Nation, a most interesting procedure, and the other A Day in Beautiful Washington, the Capital of the United States. The other feature is a story, Miss Margaret Breck, concert soprano, will sing Believe Me If All Those Endearing Young Charms, and Mr. Besette will continue in his opening list, Jimmy Valentine, the harmony-history of a sentimental safe cracker.

THE STAR. It will be baseball and plenty of it at the Star Theatre in North End tonight, tomorrow afternoon and Saturday night. The great series of championship games between the Philadelphia Athletics and the New York Giants, which resulted in the winning of the world's best prize by the players from Quakerstown, will be shown in all the essential parts. The great plays, the famous players, the monstrous crowds, the exciting moments and disputed incidents, etc., are all in plain black and white animated pictures. Miss Wren will sing the old favorite, "Take Me Out to the Ball Game," and the other pictures will be a fine western drama and a dandy Biograph comedy. Saturday afternoon the children will be given extra presents as they pass in the door.

Children Often Need a laxative—but you cannot be too careful what you give them. Harsh purgatives injure the bowels and pave the way for life-long troubles. The new evacuant in

do not work most effectively without irritating the bowels or causing any discomfort. The children like them, they taste like candy. One of the most popular of the NA-DRU-CO preparations. 25c a box. The Turf
Old Glory Horse Sale.
Baron McKinley, the great trotter and sire of trotters, brought the top price of the Old Glory Horse Sale at Madison Square Garden, New York city, Tuesday. He was bid in at \$4,400 by Emil Jacobson of New York city. The price again, according to horsemen, were lower than they should have been. One instance of this, because in the sale of the nine-year-old chestnut mare, Chaty Latis, 2:08 1/4, by Platte-Manie Nutwood. Four years ago, C. W. Lantz, of Whitewater, Mass., paid \$11,000 for her, and Tuesday let her go to W. W. Collier of Detroit, for \$800. Members of the Dillon family, mostly mares in foal to Sidney Dillon, consigned by Sidney R. Hall of Indianapolis, fetched good prices, however. Ruth Dillon, 2:36 1/2, went to A. Gaulin of Woonsocket, R. I., for \$1,025, and Emma Dillon, 2:37 1/4, to a local buyer for \$1,200, while Mary, Martha, Ida and Carrie Dillon brought prices well up to the \$1,900 mark. For a bay son of Bangor, was considered a cheap horse at \$80. He went to William Mahony of Hyde Park, Mass. The Peer, a black son of Chimes, was sold to J. G. Keith, of Stellarton, N. Y., for \$710. Among the horses that sold for a thousand dollars or over were: Centerville, blk., c., by The Abbe-Brown Peer, \$2,175 to W. R. Cox, of Dover, N. H.; Starlight McKinney, blk. m., by McKinney Bay Star, \$1,250, to James McClellan, New York city; Joe H. Kay, blk. s., by Black Hal Prince Royal, \$1,020, to E. J. Tranter, New York city; Border Scout, 2:22, by Border Knight-Naly Pico, \$1,075, to Dan Bahrs of Brooklyn.

Athletic
A Day of Sports.
Salem, N. H., Nov. 30.—Many sporting events were held today within the old Rockingham Park race track. There were four Marathon races, the principal one of which was ten miles inside the grounds. It was won by William Brown of Worcester in one hour, five minutes and fifteen seconds. The second and third men Albert L. Upham of Dorchester and Patrick Devine of Manchester, were barely a minute behind.

In a game of lacrosse between two Canadian teams, the Montreal National defeated the Montreal A. A. A. team by a score of 4 to 1.
After Olympic Title.
New York, Nov. 30.—That America will be represented by a large well as a select team of champions at the Olympic games next summer, was evidenced when James E. Sullivan, chairman of the American Olympic committee, called to the Swedish authorities to reserve accommodations for 100 Americans during the games. While accommodations were reserved for a hundred, Mr. Sullivan made it plain that he expected to send a larger team. He made that number the minimum of Americans to make the trip. "I called for that many reservations," said Mr. Sullivan, "and I think it is a conservative estimate. Judging from the amount of money already subscribed, I believe that we will send at least that number. What we want to do is to sweep the boards. To do that we need a big team, and if the American people are generous enough we will be able to select enough champions to carry off the honors in every event. "Of winning honors in the track and field meet I have no doubt. Two dozen of our champions can do that, but we will need all the men we can get to carry away the honors. I look for the foreign teams to be stronger than ever next year, and that means that we must take no chances. "And there are followers of other sports who want to see their favorites carry off honors. Bicycle riders, tennis players, swimmers, fencers, marksmen, football players, gymnasts, carmen and wrestlers in this country are as good as any in the world, and if we can get enough money to enable them to make the trip, I think we will win honors in every event. "To do more than \$50,000 has been subscribed, and nearly twice that much has been promised. J. Pierpont Morgan is among those who has sent in his cheque. He donated \$500. Colonel Robert Thompson, president of the New York Athletic Club, has subscribed \$1,000. Smaller amounts have been donated by many others, and reports from all over the country say that the \$50,000 desired by the American committee will be raised before the time for the departure of the team."

The King
Willie Ritchie of McFarland's training camp took Al. Wolgast's place before Freddie Welsh, British lightweight in Los Angeles yesterday, and gave him a hard round battle. Welsh won but was away two or three times.

A Hard Battle.
San Francisco, Calif., Nov. 30.—Puckey McFarland, the idol of Chicago steadyards, won and lost today when he got the decision over "Harlem Tommy" Murphy, at the end of twenty rounds of fighting before 6,000 critical spectators. McFarland's victory over the New Yorker, whom ninety per cent. of those present expected to knock out, was clean and left little room for argument. But the rank and file of experts and fight followers seemed unanimous that as an opponent of Champion Wolgast, the Chicagoan was an impossibility. McFarland and his handlers said that he broke his right hand in the twelfth round. A cursory examination at the conclusion of the fight showed the hand to be much swollen, but of this the public was not aware until after they had left the arena. McFarland, if he really broke his hand, fought a wonderful battle. Murphy, on the other hand, gave an exhibition of toughness and ability to come back rarely seen in a prize ring. Murphy entered the ring at 2:22 o'clock. He was followed at once by McFarland. The two fighters shook hands and were at once introduced. Jack Britton, a Chicago lightweight, jumped the ropes and issued a personal challenge.

Bowling
Frederickton Won.
In a match game on the King George alleys last night the Frederickton team won from the alley quodette 228 to 1305.

Black's Win Trophy.
The tournament for the Brunswick-Balke-Collender bowling trophy came to an end last night on Black's alley. The games have been very interesting throughout, and a large number of spectators have been on hand for every game. Black's Alley team did not lose a game in the tournament and so retain the trophy for another season. Wilson, of Black's, won the prize for the highest average—107 1/3. The standing of the teams at the end of the tournament was as follows:—

Black's Alley	5
Victoria	4
Y. M. C. A.	3
King George	2
Frederickton	1
Chatham	0
