As you have, on former occasions of a similar nature, received the word of exhortation, which has gladdened our hearts, and joined our souls with yours in the holiest bonds, suffer us, dear Brethren, to remind you of personal holiness. We rejoice that this doctrine is believed more than ever amongst us, and that God is raising up so many witnesses of its power. Be faithful, dear Friends, in your households, in reading the Scriptures and in family prayer, and encourage your *dear ones* to attend public worship and the Sabbath School. Train them to give *liberally* to the cause of God from infancy, and bring them up as Missionary Collectors and active agents in Temperance Reformation, and in every good word and work.

This is designed to manifest our gratitude to God in raising up the Connexion, and blessing it with such glorious success in Britain and the Colonies. The next measure is our Christian Journal Newspaper. It is contemplated to publish it weekly: this is much desired. Now, if you in your Neighborhoods, Congregations, Classes, and in the Family, canvass for *additional subscribers*, and pay your subscription *in time*, this object, so much hoped for, may be accomplished; but
