TO THE ELECTORS OF CHARLOTTE COUNTY.

gentlemen, I have been selected as a Candidate for a seat in the House of Assembly, by a convention of delegates from the Free Non-Sectarian School Party in the Eastern Parishes, and also having had voluntary promises of support from many of your number throughout the whole County, I would respectfully announce that I will be a candidate for your suffrages, at the approaching Election of Representatives to serve in the Local Legislature of this Province.

If you should deem it wise and expedient to honor me with your support and confidence, I shall try to represent you fairly and faithfully, to the best of my judgment and ability, and at all times endeavor to legislate wisely, honestly and independently, for the best interests of the Province in general and this County in particular.

I believe that the present Government merits the confidence of the people, and that the general policy is wise, particularly in regard to education, immigration, and aid to railways and steam navigation, therefore I am willing to give it a liberal support.

In regard to the great and important question of the day, viz., the School Law—I am, as I always have been, a firm supporter and strong advocate of Free Non-Sectarian Schools, believing that the State owes to every child a good secular education, and should leave instruction in creeds and religious tenets to Parents, Guardians, and Pastors; therefore I am opposed to any change in the present law that would establish separate or denominational schools, my motto being "equal rights and equal trials to each and all."

Felicitating that a great majority of the independent and intelligent Electors of Charlotte County will endorse the above views, and having received a large vote at the last general election as a Free School man, I now come forward with confidence, trusting that you will elect me as one of your representatives for the next term. I only ask a fair trial, and if I should prove inadequate for the task or unworthy of your confidence, you can easily select another to take my place.

I am, gentlemen,
Your obt. servant,
Fennfield, May 11, 1874. JAMES McKAY.

To the Electors of the County of Charlotte.

At the earnest request of a large number of my former supporters, together with many new ones, I once more offer myself as a candidate for re-election to represent you in the Local Legislature. I am the same now as I have ever been, the "Working Men's Candidate," bound by no party trammels or ties, or promises of any kind, but free to act and legislate for the best interests and happiness of the whole people, which at all times I shall endeavor to do if elected. I shall run my election independent of any party, leaving it to you Electors yourselves to place me on any ticket you may choose; for I believe it is the right of every Elector to exercise his franchise freely and independently of all outside influences. Now, in regard to the great question of the day, the School Question, I am in favor of the repeal of the present law, in order that a better school law may be enacted—a law less arbitrary, less oppressive, and less expensive—and a law that in its details will give more general satisfaction to people throughout the Province.

Now, Electors of Charlotte, all that I ask is a fair, honest and candid judgment of my political acts, since I have had the honor to represent you, and I will cheerfully bow to your decision, and should you again favor me with your confidence I have but one promise to make which is: That as my political acts and conduct have been in the past, if elected, so shall they be in the future, while I shall do that which I honestly believe to be right.

I have the honor to be most respectfully,
Yours &c., JOSEPH DONALD.
