Hot Lemonade And Warm Sleep For Grip

Mealth Commissioner of New WHEN THE CRAVE York City Sanctions Common Sense Preventative

How to keep from having the grip from this aggravating disease and you Sandy Goulette Took Dodd's when everyone about you is suffering are beginning to have the symptoms courself-this is the question that has een uppermost in the minds of hundreds of thousands during the present

In an attempt to answer it a repre-sentative of the New York Tribune interviewed a large number of prominent physicians and submitted to Health Commissioner Haven Emerson, summary of their advice. The latter put his official O.K. on the follow ing treatment:

Take a cathartic. running freely.

"Drink a large bowl of hot lemon ade and go to bed early. Cover one's self thoroughly and warmly, even to an extra pillow to protect the head "Take the greatest care, by dressing

the throat, wrap the neck in a wet woolen cloth covered by a dry spring I telegraphed two hundrad

voolen cloth." The official qualified his recommendation as far as the bath part of the night they came and 1 got relief treatment is concerned, saying that before morning I took Dodd's Bear Cove Head-Stoppage none should do this unless they were very sure that they would be able to keep themselves perfectly warm during the night and the morning after-

tic and the warm sleep stand as the Notice is hereby given that official preventive for the dread dis ease which is adding from ten percent to forty per cent of the weekly death to forty per cent of the weekly death all. They simply cure the Kid records in many parts of the country." neys.

The Cheerful Sinner

A visiting minister preaching in small town, near which a well-known race meeting is held, forcibly denounced the "sport of kings." The princi; al patron of the church always attended the home meetings, of your weaknesses," said the preacher, not wishing to offend the wealthy one; but it was quite unintentional, I assure

"Oh, don't mention it," cheerfully retarted the backslider, "it's a mighty poor sermon that don't hit me som where.'

Taken Too Literally

A dector brought a dyspeptic former

big brown pill one day. "I want you to try this pill to-night

et bedtimo," he said. "It's a new treatment, and if you can retain it on your stomach, it ought to cure you." The next day the doctor called again. "Did you manage to retain the pill on your stomach?" he asked eagerly. "Well, the pill was all right," the liferal farmer said, "as long as I kept awake, but every time I fell asleep it
