

The thanks of the Society are due to the various Exhibitors, particularly to those who sent articles for Exhibition only; to the Judges, particularly Professor Croft, of Toronto, who has often favoured this Society with his valuable services.

Your Committee cannot close their Report without deploring the loss of one of the founders of this Society, as well as of one of its most active and efficient Members, the late Daniel MacNab, Esq.,—his loss is to us no common one, and deeply and sincerely do we sympathize with his family under the sad calamity.

Your Committee recommend their successors to give a limited number of prizes, open to the Province, and to spare no pains to keep up the interest of the Evening Exhibitions.

All of which is respectfully submitted,

GEO. E. CARTWRIGHT,

Secretary.
