That your Petitioners have learned with surprise that you have made an order directing that no smelt fishing be allowed with bag nets but that it must be confined to hook and line in the County of Glonces-

Your Petitioners deem this an injustice as by a recent order, these nets are allowed in other Counties in this Province until the fifteenth day of February next. Your Petitioners consider it a great hardship that the fishermen who have invested so much money in nets should be so suddenly required to withdraw.

Your Petitioners therefore humbly pray that the fishermen of this County may receive the same priveleges as are accorded in other parts of the Province.
