THE INDIAN TOWNSHIP. A quarter-column reference to the above work appears in this week's Advocate. It is suggested that the style of the party who pocketed so much over settling the land damages was paid to the land-owners and who, now, loses temper because the government is making all kinds of excuses for not opening the road. It will appear ridiculous amusing to sensible people to find a contractor blamed for keeping a suffering public from enjoying the benefits of traffic on a railway, when the representatives of the people have the power to open and operate it if they only choose to exercise it.
