[Continued.] CHAPTER XXII A CHANGE COMES OVER THE FRENCHMAN. Tassard was dogged and scowling. Such was his temper that had I been a small or weak man, or a person likely to prove submissive, he would have given loose to his foul tongue and maybe handled me very roughly. But my demeanour was cold and resolved. and not of a kind to improve his courage. I levelled a deliberate semi-contemptuous gaze at his own fiery stare, and puzzled him, too, I believe, a good amity!" deal by my cool reserve. He muttered whilst we ate, drinking plentifully of wine, and garnishing his draughts with cathe had gone far enough, that our hideous condition had filled my soul ing silent and remaining so for the large transfer of the large transfer of the large transfer of the what is this feeling coming upon me? O Jesus, how faint and dark!"

He half rose from his bench, but sat

sionately. "If will not deliver us nor save the treasure. I tell you the achooner is fixed—as fixed as the damned in everlasting fire. Be it so!" he cried, clenching his fist. "But you must meddle no more! The Boca del Dragon is mine—mine, d'ye see, now that they're all dead and gone but me"—amiting his bosom—"and if ever she is to float, let nature or the devil launch her: no more explosions with the risks in the save to the desired upon was cowing him into a civiller posture of mind, and checking his aggressions and insolence. As to his murdering me, I was very sure he would not attempt such an act whilst we remained imprisoned. Lione-liness would have more horrors for him like one whose senses are all abroad. A peculiar note and appearance of age had entered his figure, face, and voice. Then an extraordinary fancy of mines had appearantly failed, he was shrewd enough, despite his rage of disappointment, to understand that her: no more explosions with the risks your failure has made her and me run! disappointment, to understand that the arrived, might not these indications in him mark the first stages of a gradually increasing the stages of a gradual than the stage of a gradual than the stages of a gra

anger he exclaimed, "What made you awake me? I was at peace—neither cold, hungry, nor hopeless! What demon forced you to bring me to this—to bring me back to this?"

and particularly old hands, such as his. I stayed but a minute or two on deck. Such was the cold that I do not to bring me back to this? to bring me back to this?"

to bring me back to this?"

"Mr. Tassard," said I coldly, "I don't ask your pardon for my experiment; I meant well, and to my mind it is no failure yet. But for disturbing your repose I do sincerely beg your forgiveness, and solemnly promise you, I returned below and sat down.

I returned below and sat down. The

ress and some covers, lay down upon it, and fell fast asleep. I admired and envied this display of confidence, and heartily wished myself as safe in his hands as he was in mine. The afternoon passed. I was on deck a halfdozen times, but never witnessed the

"speak of yourselve" as the fixest sea- beneath a cross-bones.

"I would advise you to sweeten your temper and change your tone. I have temper and change your tone. I have you, submitted to your insults with patience, and have done you some kindness. I am not afraid of you. On patience, and have done you some kindness. I am not afraid of you. On the contrary, I look upon you as a swaggering bully and a hoary villain. Do you understand me? I am a desperate man in a desperate situation. But if I don't fear death, depend npon it, I don't fear gon—and I take God to witness that if you do not use me with the civility I have a right to expect, I will kill you."

all other flags of a like kind on board to the deep. There is evidence in this as were the country, destroying everything in its path. Along the Northern Pacific, in the neighborhood of Cromwell, tamarack forests and whatever else comes at down suddenly.

"Yes," he answered, sending a curious rolling glance around the cookroom and at the same time bringing his hand to the back of his head, "this is evidence to dangle even an honester man than you, sir. All flags but the cry is for rain. will kill you."

My temper had given away; I meant ensign we resolve to sail under must go every word I spoke, and my air and | -all flags, and all the wearing apparel sincerity rendered my speech very and-and-but"-here he muttered a formidable. I tapproached kim by curse—"we are fixed—there is to be no When Baby was sick, we gave her Castoria, When she was a Child, she cried for Castoria, another stride; he started up, as l sailing." thought, to seize me, but in reality to He shook his head and covered his When she had Children, she gave them Castoria, recoil, and this he did so effectually as eyes. His manner was strange, and to tumble over his bench, and down he the stranger for his quietude. fell, striking his bald head so hard that

he lay for several minutes motioniess. I stood over him till he chose to sit of mingled bewilderment and fear.

"This is scurvy usage to give a surp mate in distress," said he. "Od's life, man! I had thought there was some sense of humor in you. Your some sense of humor in you. Your has much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank, and after the spilt as much as he drank as he drank as he drank as he spilt as much as he drank as he hand, Mr. Rodney; I feel dazed."

stand between us? I leave the choice that they have neither beds nor seats to you. If you will treat me civilly on board."
you'll not find me wanting in every "The English," he answered, speak. you'll not find me wanting in every disposition to render our miserable state tolerable; but if you insult me, use me injuriously, and act the pirate when the deaks for the sake of a sak

over me, who am an honest man, by God, Mr. Tassaid, I will kill you."

He steoped away from me, and raised his hand in a posture as if to fend me off, and cried in a whining manner, "I lost my hood this currently have been upon the decks for the sake of a clear ship, as you say. The Spaniard loves comfort—you may observe his fancy in this ship."

"How is the plunder partitioned?" I asked.
"Everything is put into the common in the co

whilst we ate, drinking plentifully of that he had gone far enough, that our that he had gone far enough.

it, my scheme will have accomplished all I proposed."

"If I' he cried sconfully and passionately. "If will not deliver us nor bim in the a civillar rectioned upon was cowing bim into a civillar rection of the should think proper to make away with me.

No. All I reckoned upon was cowing bim into a civillar rections of mind and partnered and talked and bim into a civillar rections of mind and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and talked and support of the same and partnered and support of the same and partnered and talked and support of the same and partnered and support of the same and partnered and support of the same and support of the same

your failure has made her and me run!

His voice sank; he looked at me in silence, and then with a wild grin of might be attempted which would be gradually increasing pressure? The heat, the vivacity, the fierceness, spirits and temper of the life I had been know I had ever felt it more biting and

forgiveness, and solemnly promise you, if returned below and sat down. The shoulder, on which he turned his face if you will return to the state in which Frenchman asked me no questions. I found you, that I will not repeat the He had his can in the oven and his death's head in his great hand, and puffed out clouds of smoke of the color of his beard, and indeed in the candle and fire light looked like a figure of old Time with his long nose and bald head.

"How are you felling nose," said I "Sleepy, very sleepy," he answered. "I'll put your mattress into your hammock," said I, "and the best thing you can do is to go and turn in properly and get a long night's rest, and to-morrow morning you'll feel yourself as He eyed me from top to toe in si- death's head in his great hand, and lence, filled and lighted his hideous pipe, and smoked with his back turned Had there been another warm place Time with his long nose and bald head. Had there been another warm place in the schooner I should have retired in the schooner I should have retired I addressed one or two civil remarks to healthy as ever."

organic decay within.

After sitting a long while sullenly smoking in silence, he-fetched his mat"Where is your flag looker?" said. "Where is your flag locker?" said I. ed him good-night

"In my berth," he answered "I should like to see the black flag," I exclaimed: "'tis the one piece of bunting, I believe, I have nexas view.

"I'll fetch it," said, he, and, taking the lanthorn went aft very quietly, but least alteration in the ice.

When I was getting supper Tassard with a certain stagger in his walk, awoke, quitted his mattress, and came the lanthorn went aft very quietly, but Special despatches report destructive first raging in North Minnesota and Wis consin. Already immense damage has been dorne to standing timber and many

men in the world. Justify the maritime reputation of your nation by showing me how we are to escape with the schooner from the ice."

"Mr. Tassard," said I; approaching him and looking him full in the face, him and looking him full in the face, rowded into my mind. "I think, Mr.

"Street a cross-bones.

"What censternation has this signal cause!" said I, surveying it, whilst a hundred fancies of the barbarous scenes it had flown over, the miserable cries for mercy that had swept up past it to the ear of God, and the fire must burn itself out. Telegraphic communication is interfered with.

man than you, sir. All flags but the

I said to him, "Are you ill?" He looked up sharply and cried vehemently, "No, no!" then stretched erect, which he presently did, rubbing his lips in a very ghastly grin and his poll and looking at me with an air turned to take the can from the oven but his hand missed it, and he appear f mingled bewilderment and rear.

"This is sourvy usage to give a ship hat on the source of the sour hand, Mr. Rodney; I feel dazed.

1 helped him to rise, and he then sat down in a somewhat rickety manner, thought, in a very mechanical lunatic

down in a somewhat rickety manner, rubbing his eyes. It might have been fancy, it might have been the illusion of the furnace light combined with the venerable appearance his long hair and maked pate gave him, but methought in those few minutes he had grown to look twenty years older.

"Never concern yourself about my humour, Mr. Tassard," said I, preserving my determined air and coming close to him again. "How is it to some stratagem of his? What device can such a bearing hide? If he sacting, he plays his part well."

I rolled the black flag into a bundle and flung it into a corner, and, resuming my seat and my pipe, continued, more for civility's sake than because of any particular interest I took in the subject, to ask him questions about the customs and habits of pirates.

"I believe," said I, 'the buccaneers are so resolute in having clear ships

Thought, in a very mechanical lunatio way.

I thought, in a very mechanical lunatio way.

I thought to myself, "Is this behaviour some stratagem of his? What device can such a bearing hide? If he is acting, he plays his part well."

I rolled the black flag into a bundle and flung it into a corner, and, resuming my seat and my pipe, continued, more for civility's sake than because of any particular interest I took in the subject, to ask him questions about the customs and habits of pirates.

"I believe," said I, 'the buccaneers are so resolute in having clear ships

AND ROBES

"Never concern yourself about my humour, Mr. Tassard," said I, preserving my determined air and coming close to him again. "How is it to

me off, and cried in a whining manner.
"I lost my head—this gunpowder busicoss both med—this gunpowder busichest, as we call it, and brought to the

ness hath made a hellish disappointment, look you, Mr. Rodney. Come!
We will drink a can to our future amity!"

Leading to the mast and sold by auction— Strange! he cried, breaking off and putting his hand to his brow. "I find my speech difficult. Do you notice I halt and utter thickly?"

Leading No: his voice seemed to I replied, No; his voice seemed to

with desperation and misery, and that I would not have my life on this frozen schooner made more abominable than it was by his swagger, lies, and insults, and I added in a loud voice and in a menacing manner that death had not the dull crying of the wind, he exclaimed a sulkily, "Your scheme is a failure. The schooner is fixed. What's to be done now?"

"I don't know that my scheme is a failure. The schooner is fixed. What's to be done now?"

"I don't know that my scheme is a failure, at a failure, "said I. "What did you suppose? that the blast would blow the ice with the schooner on it into the ocean clear of the island? If the ice is so shaken as to enable the swell to detach it would accomportment, would save me from it my scheme will have accomplished."

With desperation and misery, and that I would not have my life on this frozen schooner made more abominable than it was by his swagger, lies, and insults, and I added in a loud voice and in a menacing manner that death had no terrors for me, and that I would dispatch him with as little fear as I should meet my doom, whatever shape it took. I marched on deck, not a little astounded by the cowardice of the old own." (for his mattress was on deck;) "the sensation will pass, I-don't doubt." If he heard he did not help druk so much wine and spirits throughout the day that a dram would have been of no use to him.

I said, "Lexpect it will be the blow on the back of your head, when you fell just now, that has produced this fell armuther would save met of no use to him. I said, "Lexpect it will be the blow on the back of your head, when you fell just now, that has produced this head druk so much wine and spirits throughout the day that a dram would have been of no use to him.

I said, "Lexpect it will be the blow on the back of your head, when you fell just now, that has produced this head druk have been of no use to him.
